Communicating Social Change Structure Culture And Agency Routledge Communication Series:

Communicating Social Change Mohan J. Dutta, 2011-05-10 *Communicating Social Change Structure Culture and Agency* explores the use of communication to transform global national and local structures of power that create and sustain oppressive conditions Author Mohan J Dutta describes the social challenges that exist in current globalization politics and examines the communicative processes strategies and tactics through which social change interventions are constituted in response to the challenges Using empirical evidence and case studies he documents the ways through which those in power create conditions at the margins and he provides a theoretical base for discussing the ways in which these positions of power are resisted through communication processes strategies and tactics The interplay of power and control with resistance is woven through each of the chapters in the book This exceptional volume highlights the points of intersection between the theory and praxis of social change communication creating theoretical entry points for the praxis of social change It is intended for communication scholars and students studying activism social movements and communication for social change and it will also resonate in such disciplines such as development sociology and social work with those who are studying social transformations

Communicating for Change Jo Tacchi, Thomas Tufte, 2020-07-10 This book offers a fresh set of innovative and creative contributions related to the role of communication in processes of change Given the current fast pace of social economic political and technological change across the globe and the central role of communication in this there is a growing need to reconceptualize how we approach communication and change that provides entry points to help us expand and enrich our scholarly and practical work This collection presents 14 concepts from a multi disciplinary collection of internationally leading and emerging scholars from 13 countries on 5 continents They come together around three meta topics citizenship and justice critiques of development and renewing thought from and for the margins The short chapter format ensures that authors get straight to the nub of their ideas providing readers students scholars and practitioners alike with accessible engaging and innovative ways to think critically about communication and social change in new ways

Communication, Culture and Social Change Mohan Dutta, 2020-06-30 Drawing on the culture centered approach CCA this book re imagines culture as a site for resisting the neocolonial framework of neoliberal governmentality Culture emerged in the 20th Century as a conceptual tool for resisting the hegemony of West centric interventions in development disrupting the assumptions that form the basis of development This turn to culture offered radical possibilities for decolonizing social change but in response neocolonial development institutions incorporated culture into their strategic framework while simultaneously deploying political and economic power to silence transformative threads This rise of culture as development corresponded with the global rise of neo liberal governmentality incorporating culture as a tool for globally reproducing the logic of capital Using examples of transformative social change interventions this book emphasizes the role of culture as a site for resisting capitalism and imagining rights based sustainable and socialist futures In particular it attends to culture as

the basis for socialist organizing in activist and party politics In doing so Culture Participation and Social Change offers a framework of inter linkage between Marxist analyses of capital and cultural analyses of colonialism It concludes with an anti colonial framework that re imagines the academe as a site of activist interventions *Internationalizing "International Communication"* Chin-Chuan Lee,2015-01-06 A critical intervention in international communications in which an array of eminent scholars challenge the Western dominated conceptions of the field Health Communication Belinda Lewis,2014-12-02 This book is about communicating for health and social change With a clear focus on public health and health promotion practice it provides a unique introduction to media and cultural studies perspectives on health communication Health Communication explores the dynamic world of contemporary mass media and diverse forms of alternative mobile and social media How are communities using media to communicate about health and advocate for social change What are the challenges and opportunities involved with using the media for health communication How can health promotion practitioners utilise media to create opportunities for more participatory and empowering approaches to health communication This indispensable guide to health communication provides readers with detailed and practical insights into the role of media and culture in contemporary health issues Accessible theory is blended with case studies from around the world giving students academics and practitioners an invaluable framework for practice and a rich source of material for discussion *Mass Communication in India, Fifth Edition* Keval J. Kumar,2020-12-10 Third Completely Revised and Updated Edition Mass Communication in India is a result of the author s in depth study and understanding of the media The book deals with a general introduction to Communication Theory Advertising Television Effects of Media and Development In short the book is designed to give the student of Mass Communication a general and comprehensive view of the modern and traditional media in India It meets the objective of being a text book as well as a book that gives an overview of mass communication in India **Public Relations** Chiara Valentini,2021-02-08 What is public relations What do public relations professionals do And what are the theoretical underpinnings that drive the discipline This handbook provides an up to date overview of one of the most contested communication professions The volume is structured to take readers on a journey to explore both the profession and the discipline of public relations It introduces key concepts models and theories as well as new theorizing efforts undertaken in recent years Bringing together scholars from various parts of the world and from very different theoretical and disciplinary traditions this handbook presents readers with a great diversity of perspectives in the field *Ella Baker's Catalytic Leadership* Patricia S. Parker,2020-11-17 Ella Baker 1903 1986 was an influential African American civil rights and human rights activist For five decades she worked behind the scenes with people in vulnerable communities to catalyze social justice leadership Her steadfast belief in the power of ordinary people to create change continues to inspire social justice activists around the world This book describes a case study that translates Ella Baker s community engagement philosophy into a catalytic leadership praxis which others can adapt for their work Catalytic

leadership is a concrete set of communication practices for social justice leadership produced in equitable partnership with instead of on communities The case centers the voices of African American teenage girls who were living in a segregated neighborhood of an affluent college town and became part of a small collective of college students parents university faculty and community activists learning leadership in the spirit of Ella Baker **Voices of Resistance** Mohan J. Dutta, 2012-08-15 This book represents voices of resistance from across the globe to document the communicative processes practices and frameworks through which neoliberal global policies are currently being defied Based on examples case studies and ethnographic reports Voices of Resistance serves as a space for engaging various perspectives from the global margins in dialogue The emphasis of the book is on the core idea that creating spaces for listening to voices of resistance fosters openings for the politics of social change interweaving the stories of the local the national and the global The book is divided into chapters addressing the politics of resistance in the contexts of global economic policies agriculture education health poverty and development **MEDIA, CULTURE AND SOCIETY: INTER-RELATION AND EVOLUTION** Arindam, Saikat Majumdar, Souvik Sur, 2024-09-20
