Race in Sweden Tobias Hübinette, Catrin Lundström, Peter Wikström, 2023-05-12 Race in Sweden is an introduction to and a critical investigation of the Swedish relationship to race in the post war and contemporary eras This relationship is fundamentally shaped by an ideology of colourblindness with any kind of race talk being taboo in public discourse and everyday language use and in practice forbidden in official and institutional language A study of a country which was until recently strikingly white but has become extremely diverse yet where the legacy of Swedish whiteness co exists with a radical colourblind antiracist ideology Race in Sweden will appeal to scholars across the social sciences and humanities with interests in race and ethnicity whiteness and Nordic studies Chapters 2 and 3 of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Swedish Mentality Åke Daun, 1996-01-12 Is there a distinctly Swedish national character Are Swedes truly shy unemotional conflict avoiding melancholy and dour Swedish Mentality the English translation of the hugely successful book published in Sweden in 1989 considers the reality behind the myth The author Åke Daun is a respected ethnologist who is sometimes referred to as the guru of Swedish character In recent years it has become popular to discuss Swedishness and Swedish identity The advent of the European Union and the increasing presence of immigrant refugees in Sweden have fueled public debate on the distinctiveness of Swedish culture Daun however goes beyond stereotype drawing upon statistics gathered over more than a decade of research The result is an entertaining and engagingly written book Throughout Daun quotes from interviews with native Swedes and immigrants as well as from travel accounts folklore and proverbs We learn why some Swedes might prefer to walk up a flight of stairs rather than share an elevator with a neighbor and why some gain satisfaction from walking alone in the woods or going fishing Daun describes a range of factors influencing Swedish character including population composition rural background and even climate He recognizes behavioral variations related to gender age class and region and he considers subtleties of individual character as well Swedish Mentality should interest a wide array of readers whether of Swedish descent or not
