

Senior Cheer Speech

Being on varsity as a freshman with no prior cheer knowledge was one of the hardest challenges I have faced in my career. As an ex gymnast I knew how to tumble but for the life of me couldn't tell you a single stunting term. I spent that whole year getting called out every practice by Rhonda for not knowing how to punch a motion. And let me tell you it was not fun. I thought I was so good for making varsity but in reality I had a lot to work on. Looking back at old videos is a cringe worthy experience. Sometimes I questioned what the coaches saw in me. For instance I've made a mistake at every try out. These past 4 years I have grown as both an athlete and as a person in ways I never would've done without cheer. To start I've become more confident, I used to be in the back of the round afraid to smile and scream my words at practice whereas this season I was the one screaming the counts and giving myself whiplash from moving my head so much. I've also learned that I have to trust the people around me, cheer is a team sport and you have to rely on everyone to get you where you need to go. This season we faced issues on how to be a team, but once we found our spark we started hitting our goals, we broke records, won the district title, and made it to states. We were able to accomplish what no team before us could. Although there were days I was ready to quit, I knew in the end it would be worth it. At the beginning of the season, I tore a ligament and was devastated that I might not even have a senior season. Competing at States made it all worth it. To most this is the end, but to me it's only the end of one season and the beginning of the next as I will be cheering in college. I owe it all to this team. This team has shown me that anyone can get better if they try hard enough, that we can laugh and dance around while other teams stress, and that in order to be the best we can be we all have to work together. Overall I am so proud of how far this team has come these past few years, and I can't wait to see where you guys go next. This sport has left me with so many memories, whether it be running around the halls listening to music, having conversations in round 3, or holding hands on the mat waiting to hear our name called last. I am so grateful to be able to call myself an LCN cheerleader and I can't wait to take everything I learned here with me at CMU!

Coach Brooke, you got to be the coach to watch me grow up. You were the first person who ever coached me through cheer. I was a shy kid trying to balance 3 sports that all took place during cheer. I don't know how you put up with me. You saw this little girl who thought cheer was a joke attempt to hit a motion for the first time, you told me from my very first day I was strong
