Mr. Peter Butcher
7 Ocean Street,
NHULUNBUY NT 0880

Dear Mr. Butcher,

I hope this letter finds you well. I am writing to discuss an important matter that concerns your membership in our beloved church community. It has come to our attention that your participation in our activities has significantly reduced over the past few months. Though we understand that personal commitments and emergencies may render one unavailable, as per our membership guidelines, our members must maintain an active involvement in church activities to keep their membership status.

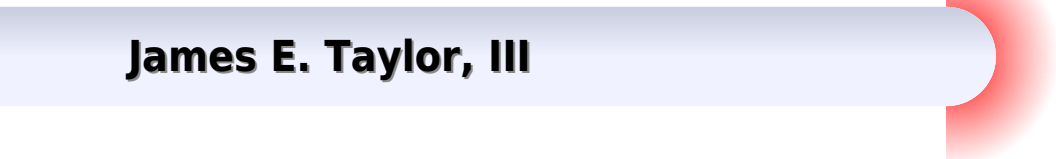

We deeply appreciate your contributions to our church and wholeheartedly believe that your unique talents and sheer dedication have left an imprint on our community. We fondly remember your active leadership in the church choir and your unwavering dedication to the children's Sunday school.

However, due to the extended period of your absence, we are left with no choice but to review your membership status. We intend to conduct a membership review meeting on **[DATE]** and we would greatly appreciate your presence. This would be an occasion not just to discuss the status of your membership but also to try and understand any issues or concerns that have been holding you back from active participation.

We highly value your feedback and believe that your input could prove crucial in improving our community. It would also be an opportunity for you to reconnect with the community and hopefully revive your involvement. Please acknowledge receipt of this letter and let us know if you are unable to attend the meeting for any reason.

Church Letters To Inactive Members:

Reclaiming Inactive Church Members Herbert W. Byrne, 2003 This book is designed to provide assistance to pastors and church leaders on how to reclaim inactive church members Actual real life illustrations are provided to show how some churches have made efforts to solve this problem **Stop the Church's Revolving Door** Richard M. Wright, 2011-12 Does your church have a revolving door Most churches do not have a ministry to establish and maintain authentic personal relationships with inactive members visitors or prospective members Before implementing this ministry one church failed to stay relationally connected to its members Is your church suffering from the same dilemma This new ministry empowered churches toward improving its church health increasing service opportunities for laypeople and establishing stronger personal relationships It is possible in your church too This book provides a guide toward implementing this crucial ministry in your church It is time to stop your church's revolving door More Letters for Every Occasion James E. Taylor, III, 2011 Sending a personal note email or letter means that you took time to care It can be a grace filled symbol of your ministry outreach and an effective way to offer pastoral concern The book offers more than 90 carefully written thoughtful sample letters and emails that can be easily adapted for any particular situation Contents include letters relating to church leadership preaching and worship pastoral care stewardship and finance administration community outreach membership and visitors There is also helpful information and etiquette regarding email Facebook and Twitter Messenger and Visitor, 1915 *No Strings Attached* Rachel Nafziger Hartzler, 2013-04-30 No Strings Attached is the story of a Mennonite congregation in Indiana that existed for eighty six years The congregation began during the social and religious turmoil of the 1920s when some Mennonites in North America held to rigid doctrines and ethics implemented by central authority and others operated with a congregational polity and became more assimilated into secular culture The struggle between these two different understandings of faithfulness was most passionately played out in northern Indiana Placing the narrative of this congregation within the context of 500 years of Mennonite history illustrates the grace and the tension that has both beset and empowered a unique group of people who began as radical reformers Although no strings attached refers to the women's headwear during the 1920s which had no strings it could also be the story of the pastor eating lunch on the peak of the steep roof of the church building Reflecting on stories of these Mennonite people is an invitation to move into the future with courageous hope Believing and behaving differently has not prevented Middlebury Mennonites from treating each other respectfully living in a community of love joy and peace and offering God's healing and hope to each other and to the world *High Expectations* Thom S. Rainer, 1999-02-15 For over a quarter of a century the problem of losing church members has progressively increased Today the situation is so bad that less than one third of the members in some churches attend worship services Church leaders are crying for help In an effort to help church leaders the Billy Graham School of the Southern Baptist Theological Seminary conducted a massive research project involving nearly 287 churches The most

revealing aspect of the study was that the higher expectations placed on members the greater the likelihood that the members would stay and be involved with the church Using the data gathered from this project Thom Rainer presents the first ever comprehensive study about closing the back door Rainer looks at why people are leaving the church and how church leaders can keep the members **Lutheran Companion** ,1919 *The Lutheran Companion* ,1919 **This is Our Church** ,2005-01-01 **Inventory of the Church Archives of North Carolina. Southern Baptist Convention, North Carolina Baptist State Convention, Yancey Baptist Association** Historical Records Survey of North Carolina,1942
