
CONDUCTING CHILD CUSTODY EVALUATIONS

A Comprehensive Guide

Philip Michael Stahl

Conducting Child Custody Evaluations A Comprehensive Guide

Philip M. Stahl

Conducting Child Custody Evaluations A Comprehensive Guide:

Conducting Child Custody Evaluations Philip M. Stahl, 2010-08-12 Covering the mental health expert's many roles as therapist, mediator, evaluator, consultant to attorneys, expert witness and more, Philip M. Stahl's *Conducting Child Custody Evaluations: From Basic to Complex Issues* addresses key topics such as the best interests of the child, custody and time share, divorce and its impact on children and children's developmental needs. From tackling the terror of testifying to critiquing your own child custody evaluations and avoiding bias inherent in this work, this practical and easy-to-read book offers comprehensive coverage vital to practitioners in this field. *Conducting Child Custody Evaluations* Philip M. Stahl, 1994-08-15 A must-have book on custody evaluations, Philip Michael Stahl has done family law attorneys a great service by writing *Conducting Child Custody Evaluations*. Dr. Stahl's book is a solid addition to the literature. It provides family law attorneys with the evaluator's perspective on the process, its purpose and structure. Packed with examples that illustrate the author's points, the book is quite readable. If you do custody work, this book is a must. You will find yourself using it continually as a resource and to share information with your clients. Dr. Stahl writes from experience and provides the perspective of a well-trained, thoughtful, ethical evaluator. He discusses the child custody evaluation process as I believe it should be. No wonder I liked the book so much. M. Dee Samuels in *Family Advocate*. Based on Philip Michael Stahl's extensive experience in the trenches, *Conducting Child Custody Evaluations* presents a detailed examination of the many complex questions and issues involved in this process. Practical guidelines for completing evaluations are provided, including helpful information on interviewing parents and children, testifying in court, writing custody evaluations, working with attorneys, getting paid and working in an ethical manner. Such fundamental concerns relating to divorce as the ability to parent, bonding and attachment of children and parents, the formulation of custody access plans and specific developmental issues are also addressed. Sensible, lucid and insightful, this book is an important contribution to our understanding of how child custody evaluations are conducted and an excellent resource for psychologists, evaluators, social workers, family court and private mediators, judges, attorneys and graduate students. For those who need to know for whatever reason, this is a valuable introduction in comprehensive and surprisingly jargon-free detail to a rarely considered topic. *Child Family Behavior Therapy*. This text is comprehensive, covering topics from interviewing children to how evaluators can stay current and experience professional renewal. It also has some very practical information relevant to anyone who performs child custody evaluations, from old hands to beginners. This book is valuable to anyone interested in this subject: evaluators who seek to perform this task, attorneys who seek to understand the process of evaluation, judges who seek to evaluate the quality of an evaluation, and even parents who undergo such an evaluation. It presents a significant contribution to the field. *Family and Conciliation Courts Review*. *Conducting Child Custody Evaluations* is excellent. What makes this text so valuable is it is born of years of experience and reflects a more advanced vision about families following divorce. Both beginning and advanced evaluators will

gain a great deal from reading this manual. It is both comprehensive and practical, capturing the essence and the spirit of performing this critical task. Even more importantly, it has several ideas about how evaluations can stay current and capture the value of a good evaluation on families as well as the court. Nice work, Hugh McIsaac, Director, Family Court Services, Multnomah City Circuit Court, Portland, Oregon, and Editor, Family and Conciliation Courts Review. Dr. Stahl does a thorough, clear, and highly readable job of covering the complex arena of child custody evaluations, articulating the multiple demands on the evaluator, providing specific evaluation techniques for a range of referral questions, in addition to outlining extra evaluation issues such as ethical concerns, the evaluator's relationship to the court, and burn out. This is an excellent resource for both the new evaluator and those with expertise. S. Margaret Lee, Ph.D., Private Practice, Greenbrae, California. Dr. Stahl is one of those rare professionals who neither talks down or around the problem. His book should be in the library of every serious family lawyer, family judge, and family evaluator. John Kydd, J.D.M.S.W. and President Elect, Association of Family and Conciliation Courts. Anybody working on behalf of children in the civil courts could make good use of this text. Pay particular attention to chapters 5, 6, and 7, the appendices, and especially the specimen reports and excerpts. These are the heart of the book. And here, Dr. Stahl's style is a model of clarity and simplicity. Guy Mitchell, in *Legal and Criminological*.

Conducting Child Custody Evaluations Philip M. Stahl, 2011. Addresses key topics such as the best interests of the child, custody and time share, divorce, and its impact on children and children's developmental needs. *Conducting Child Custody Evaluations* Philip Michael Stahl, 2011. This work is a combination of two previously published books, *Conducting Child Custody Evaluations* and *Complex Issues in Child Custody Evaluations*. The book was written as a guide to help students and practitioners walk through the process of conducting a child custody evaluation, a critical skill for mental health practitioners.

A Comprehensive Guide to Child Custody Evaluations: Mental Health and Legal Perspectives Joanna Bunker Rohrbaugh, 2007-12-18. Whether assessing general family functioning or specific areas of conflict, professionals preparing child custody evaluations require sound knowledge of three interrelated fields: up-to-date legal issues, psychological findings, and forensic procedures. This book covers these three essential areas to walk readers through the evaluation process clearly and concisely. It further provides a unique combination of legal guidelines with social science research. **Clinician's Guide to Child Custody Evaluations** Marc J. Ackerman, 2006-02-02. The Clinician's Guide to Child Custody Evaluations, Third Edition, is written by one of the leaders in the field; it is as essential to the subject of child custody as the stethoscope is to medicine. This edition, an update of a classic, is a must-read for everyone from the novice to the expert. Leslie M. Drozd, Ph.D., Editor, *Journal of Child Custody*. A practical and comprehensive guide for conducting child custody evaluations, *Clinician's Guide to Child Custody Evaluations* addresses the entire custody evaluation process from beginning to end. This New Third Edition reflects the abundant recent research in this area, including new evaluating and testing findings and new ethical guidelines from the APA. This edition also features fully up-to-date coverage of important legal decisions affecting child

custody With many chapters completely revised and rewritten the third Edition covers Roles the mental health Practitioner can play and operate within the legal arena What encompasses a custody evaluation Ethical considerations and responsibilities involved in custody disputes How to interview make behavioral observations and collect collateral information Standards applicability and administration of tests Specialized child custody instruments such as the Ackerman Schoendorf Scales for Parent Evaluation of Custody ASPECT How divorce affect families Evaluating parents behavior How to prepare for the courtroom process Maltreatment including neglect abuse and domestic violence Placement schedules How to write reports draw conclusions and render opinions Each chapter ends with critical issues for the practitioner to consider The accessible reference format provides a quick review of relevant discussions in the text In addition this book includes convenient guides to relevant legal terms documents forms APA guidelines and codes of conduct Based not only on current research but also on the author s considerable experience with thousands of evaluations Clinician s Guide to Child Custody Evaluations is the definitive guide to this field for students and practitioners

Complex Issues in Child Custody

Evaluations Philip M. Stahl,1999-05-21 This text is excellent and very timely Philip Michael Stahl s second volume is the perfect supplement to his Conducting Child Custody Evaluations because it deals with specific issues of great concern to evaluators parental alienation allegations of sexual abuse domestic violence move away situations and high conflict families The chapter dealing with child considerations is also very well done His discussion of developmental considerations is clear and supported by the latest research in the field I also liked his treatment of children s reaction to parental conflict weighing the needs of the individual child with the needs of the sibling group and giving the child a voice while protecting their privacy I also appreciated his discussion of components of the evaluator s recommendation use of psychological testing Rosemary Vasquez s discussion of cultural issues tackling the terror of testifying and ethical issues Phil Stahl has written a very important text It is timely well written and comprehensive Nice work Hugh McIsaac Oregon Family Institute When performing a custody evaluation how do professionals deal with the issue of domestic violence What impact does one parent s moving away have on the evaluation How should an evaluator handle high conflict divorces Over the past five to ten years there has been a significant increase in the use of child custody evaluations by the courts At the same time the issues have become more complex and difficult In this book the author provides a theoretical and practical understanding of many of the factors that make custody evaluations complex A key component is the integration of disparate research findings into a comprehensive resource that will enable the evaluator and the court to understand these complex issues A second component is to provide a thorough understanding of the fact that divorce brings with it a set of complex needs and evaluators and the courts must develop a paradigm for weighing these needs in a comprehensive manner This book provides that paradigm

The Custody Evaluation Handbook Barry Bricklin,2013-06-20 Joint custody Same sex custody Young children with the mother Which is the best arrangement Unfortunately for those who seek a trustworthy solution research

has proven that there is no single best arrangement for all children This timely volume however does offer a practical and realistic methodology with which to confront the challenging and often confusing issues facing the custody evaluator The only book of its kind The Custody Evaluation Handbook offers a strikingly helpful model for evaluating and assigning weight to the mountains of disparate information accumulated during a custody suit Written by an unparalleled expert in the field of custody evaluation the book eschews what the author calls the negative incident model in which each parent responds to the custody process by compiling a long list of grievances against the hated opponent It advocates instead a test based approach that measures how successful each parent actually is at the job of parenting The book describes numerous tests and tools for eliciting reliable information from both children and parents With an eye to learning the actual impact a parent has on a child rather than what a given parent may or may not be doing the book emphasizes obtaining measurements from the involved child Parent tests are designed to reflect the effectiveness with which a parent responds to typical childcare situations and the degree to which a parent truly knows and can satisfy the needs of a particular child The volume also sets forth concepts derived from extensive research that are particularly helpful in understanding parent child interactions and provides a specific system of nonadversary communication strategies that can be used and modeled in all interchanges with evaluation participants and in the wording of all written reports Readers will also welcome the numerous suggestions from evaluators all over the country on specific custody dilemmas they have faced The book is based on many years meticulous research and is informed by a number of conceptual approaches that include The proven premise that whatever certain parents intend to communicate is often not what their children are in fact perceiving and reacting to The Utilization Model of Milton E Erikson The Thomas Chess and Birch goodness of fit model of parent child interaction Bandler and Grinders assertion that the meaning of a communication is the response it elicits regardless of the intentions of the sender Clearly spelling out the targets of a truly comprehensive and reliable evaluation The Custody Evaluation Handbook will be an invaluable handbook for custody evaluators and marriage and family therapists as well as other involved mental health professionals

The Art and Science of Child Custody Evaluations Jonathan W. Gould, David A. Martindale, 2007-07-10 Addressing key topics in child custody evaluation this book provides essential knowledge for practitioners who want to meet the highest standards for both scientific validity and legal admissibility The authors are leading experts who describe the latest data based approaches to understanding and assessing relevant child parent and family factors Going beyond the basics the book gives in depth attention to challenging frequently encountered issues such as how to evaluate allegations of domestic violence child sexual abuse and child alienation Also covered are the complexities of interviewing children effectively and working in the adversarial forensic context A user friendly appendix contains sample letters and statements of understanding with permission to photocopy

Conducting Scientifically Crafted Child Custody Evaluations Jonathan W. Gould, 1998-05-20 In Conducting Scientifically Crafted Child Custody Evaluations author Jonathan W Gould compiles the literature on child

custody evaluation into a coherent logically integrated format that can be applied directly to practice This empirically based book represents state of the art forensic techniques in the rapidly changing field of child custody evaluation Gould challenges this dynamic field to further advance by enhancing its level of professionalism and strengthening its scientific basis Currently only 10% of divorcing couples with children pursue resolution of custody disputes The author questions whether this minority comprises a unique population that requires separate uniquely developed intervention protocols He asks If the people who request forensic child custody evaluation comprise a unique population how useful are our assessment tools when they have not been validated on this distinctive group Proposing new assessment models that are in fact based on studies with this population Gould emphasizes that this is one of the fastest growing areas of professional involvement for practicing psychologists counselors and social workers Divided into three parts the book covers a conceptual framework the evaluation process and suggestions for the evaluator in preparing for court This book targets psychologists social workers and students in the fields of family social work family psychology family counseling forensic psychology family studies and family law

Conducting Child Custody Evaluations A Comprehensive Guide Introduction

In the digital age, access to information has become easier than ever before. The ability to download Conducting Child Custody Evaluations A Comprehensive Guide has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Conducting Child Custody Evaluations A Comprehensive Guide has opened up a world of possibilities. Downloading Conducting Child Custody Evaluations A Comprehensive Guide provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Conducting Child Custody Evaluations A Comprehensive Guide has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Conducting Child Custody Evaluations A Comprehensive Guide. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Conducting Child Custody Evaluations A Comprehensive Guide. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Conducting Child Custody Evaluations A Comprehensive Guide, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Conducting Child Custody Evaluations A Comprehensive Guide has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is

crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Conducting Child Custody Evaluations A Comprehensive Guide Books

1. Where can I buy Conducting Child Custody Evaluations A Comprehensive Guide books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
