Confederate Daughters Coming Of Age During The Civil War:

Confederate Daughters Victoria E. Ott, 2008-02-22 *Confederate Daughters Coming of Age during the Civil War* explores gender age and Confederate identity by examining the lives of teenage daughters of Southern slaveholding secessionist families. These young women clung tenaciously to the gender ideals that upheld marriage and motherhood as the fulfillment of female duty and to the racial order of the slaveholding South, an institution that defined their status and afforded them material privileges. Author Victoria E. Ott discusses how the loyalty of young Southern women to the fledgling nation, born out of a conservative movement to preserve the status quo, brought them into new areas of work, new types of civic activism, and new rituals of courtship during the Civil War. Social norms for daughters of the elite, their preparation for their roles as Southern women, and their material and emotional connections to the slaveholding class changed drastically during the Civil War. When differences between the North and South proved irreconcilable, Southern daughters demonstrated extraordinary agency in seeking to protect their futures as wives, mothers, and slaveholders. From a position of young womanhood and privilege, they threw their support behind the movement to create a Confederate identity, which was in turn shaped by their participation in the secession movement and the war effort. Their political engagement is evident from their knowledge of military battles and was expressed through their clothing, social activities, relationships with peers, and interactions with Union soldiers. *Confederate Daughters* also reveals how these young women, in an effort to sustain their families throughout the war, adjusted to new domestic duties, confronting the loss of slaves and other financial hardships by seeking paid work outside their homes. Drawing on their personal and published recollections of the war, slavery, and the Old South, Ott argues that young women created a unique female identity, different from that of older Southern women, the Confederate bellehood. This transformative female identity was an important aspect of the Lost Cause mythology, the version of the conflict that focused on Southern nationalism and bridged the cultural gap between the antebellum and postbellum periods. Augmented by twelve illustrations, this book offers a generational understanding of the transitional nature of wartime and its effects on women's self-perceptions. *Confederate Daughters* identifies the experiences of these teenage daughters as making a significant contribution to the new woman in the New South.

Children and Youth During the Civil War Era James Alan Marten, 2012 This title places the history of children and youth in the context of the Civil War. The book seeks a deeper investigation into the historical record by giving voice and context to their struggles and victories during this critical period in American history.

Stepdaughters of History Catherine Clinton, 2016-11-02 In *Stepdaughters of History*, noted scholar Catherine Clinton reflects on the roles of women as historical actors within the field of Civil War studies and examines the ways in which historians have redefined female wartime participation. Clinton contends that despite the recent attention, white and black women's contributions remain shrouded in myth and sidelined in traditional historical narratives. Her work tackles some of these well-worn assumptions, dismantling prevailing attitudes that consign women to the footnotes of Civil

War texts Clinton highlights some of the debates led by emerging and established Civil War scholars which seek to demolish demeaning and limiting stereotypes of southern women as simpering belles stoic Mammies Rebel spitfires or sultry spies Such caricatures mask the more concrete and compelling struggles within the Confederacy and in Clinton's telling a far more balanced and vivid understanding of women's roles within the wartime South emerges New historical evidence has given rise to fresh insights including important revisionist literature on women's overt and covert participation in activities designed to challenge the rebellion and on white women's roles in reshaping the war's legacy in postwar narratives Increasingly Civil War scholarship integrates those women who defied gender conventions to assume men's roles including those few who gained notoriety as spies scouts or soldiers during the war As Clinton's work demonstrates the larger questions of women's wartime contributions remain important correctives to our understanding of the war's impact Through a fuller appreciation of the dynamics of sex and race *Stepdaughters of History* promises a broader conversation in the twenty first century inviting readers to continue to confront the conundrums of the American Civil War Spies smugglers nurses plantation mistresses liberators of slaves traders writers freedom fighters wives and mothers Catherine Clinton considers the many roles of diverse groups of southern women from the Civil War to the late nineteenth century in these lively and provocative essays Jacqueline Jones author of *Labor of Love Labor of Sorrow Black Women Work and the Family from Slavery to the Present* Clinton's sweeping synthesis is a timely call for rethinking women's roles in the Civil War Her panoramic view of the existing scholarship her revealing new histories and the questions that she raises for the future offer a rich scholarly feast that is useful for undergraduates and seasoned historians alike Glenda Elizabeth Gilmore Peter V and C Vann Woodward Professor of History Yale University *Stepdaughters of History* is a timely treatise on the legacy of the Civil War and how Americans both remember and forget the women who dreamt and helped build the landscape with which we reside The writing is accessible and engaging Clinton integrates gender studies political history and current events into this slim volume and challenges us to continue to build a Civil War historiography that is full and more honest Deirdre Cooper Owens professor of history Queens College CUNY Catherine Clinton delights in disentangling the ambiguities and contradictions of the experiences of southern women whether they were free or enslaved or rich or poor in *Stepdaughters of History* In this beautifully written volume she explores how the field of Civil War history has demolished the Lost Cause shibboleths of the devoted mammy and the submissive plantation mistress Clinton reminds us that history should never offer the comfort of a bedtime story and in *Stepdaughters of History* there is plenty for us to ponder late into the night Peter Carmichael director of the Civil War Institute and author of *The Last Generation Young Virginians in Peace War and Reunion* *Southern Women Novelists and the Civil War* Sharon Talley, 2014-04-09 During and after the Civil War southern women played a critical role in shaping the South's evolving collective memory by penning journals and diaries historical accounts memoirs and literary interpretations of the war While a few of these writings most notably Mary Chesnut's diaries and Margaret Mitchell's novel

Gone with the Wind have been studied in depth by numerous scholars until now there has been no comprehensive examination of Civil War novels by southern women In this welcome study Sharon Talley explores works by fifteen such writers illuminating the role that southern women played in fashioning cultural identity in the region Beginning with Augusta Jane Evans s *Macaria* and Sallie Rochester Ford s *Raids and Romance of Morgan and His Men* which were published as the war still raged Talley offers a chronological consideration of the novels with informative introductions for each time period She examines Reconstruction works by Marion Harland Mary Ann Cruse and Rebecca Harding Davis novels of the Redeemed South and the turn of the century by Mary Noailles Murfree Ellen Glasgow and Mary Johnston and narratives by Evelyn Scott Margaret Mitchell and Caroline Gordon from the Modern period that spanned the two World Wars Analysis of Margaret Walker s *Jubilee* 1966 the first critically acclaimed Civil War novel by an African American woman of the South as well as other post World War II works by Kaye Gibbons Josephine Humphreys and Alice Randall offers a fitting conclusion to Talley s study by addressing the inaccuracies in the romantic myth of the Old South that *Gone with the Wind* most famously engraved on the nation s consciousness Informed by feminist poststructural and cultural studies theory Talley s close readings of these various novels ultimately refute the notion of a monolithic interpretation of the Civil War presenting instead unique and diverse approaches to balancing fact and fiction in the long period of artistic production concerning this singular traumatic event in American history Sharon Talley professor of English at Texas A M University Corpus Christi is the author of *Ambrose Bierce and the Dance of Death* and *Student Companion to Herman Melville* Her articles have appeared in *American Imago* *Journal of Men s Studies* and *Nineteenth Century Prose*

[The Fabric of Civil War Society](#) Shae Smith Cox, 2024 Shae Smith Cox s *The Fabric of Civil War Society* examines the material culture of military uniforms badges and flags during and after America s bloodiest conflict She suggests that these objects both represented and influenced the identity of Americans She also reveals how the study of material culture allows for a better understanding of the war and its commemoration especially regarding women s roles the lives of African Americans and indigenous peoples and the struggles of the common soldier Cox s study traces the influences of uniforms badges and flags throughout the war and Reconstruction as markers of power and authority for both sides She then shows how sewn materials from the conflict became cherished objects by the turn of the century a transition seen in veterans replacing their wartime uniforms with new commemorative attire and repatriating Confederate battle flags Looking specifically at the creation of material culture by various commemoration groups including the Grand Army of the Republic the Woman s Relief Corps the United Confederate Veterans and the United Daughters of the Confederacy Cox suggests the ways that American society largely accepted their messages furthering the mission of their memory work The objects themselves suggest how starkly divided Americans were and how starkly divided they remained Studying material culture in the form of uniforms badges and flags allows Cox to reinterpret a variety of Civil War topics including preparation for war nuances in relationships between Native American and African American soldiers the roles of

women and the rise of post war memorial societies Her work will interest scholars who study the Civil War and its memory

Fractured Freedoms David T. Ballantyne,2025-02-04 David T Ballantyne s *Fractured Freedoms* is a riveting history of central Louisiana from the 1860s to the 1890s focusing on majority Black Rapides Parish during Reconstruction Using the region as a case study Ballantyne reveals what is in part a rural Reconstruction success story emphasizing the resilience of Black politics and the persistence of significant divisions among white residents that allowed the Republican Party to gain and maintain power there It was only with the collapse of state level Republican power in 1877 that Democratic forces in the parish were able to dismantle local Republican political control and gradually constrict Black freedoms

The Diary of Nannie Haskins Williams Minoa D. Uffelman, Ellen Kanervo, Eleanor Williams, Smith Phyllis,2014-04-30 In 1863 while living in Clarksville Tennessee Martha Ann Haskins known to friends and family as Nannie began a diary *The Diary of Nannie Haskins Williams A Southern Woman s Story of Rebellion and Reconstruction 1863 1890* provides valuable insights into the conditions in occupied Middle Tennessee A young elite Confederate sympathizer Nannie was on the cusp of adulthood with the expectation of becoming a mistress in a slaveholding society The war ended this prospect and her life was forever changed Though this is the first time the diaries have been published in full they are well known among Civil War scholars and a voice over from the wartime diary was used repeatedly in Ken Burns s famous PBS program *The Civil War* Sixteen year old Nannie had to come to terms with Union occupation very early in the war Amid school assignments young friendship social events worries about her marital prospects and tension with her mother Nannie s entries also mixed information about battles neighbors wounded in combat U S Colored troops and lawlessness in the surrounding countryside Providing rare detail about daily life in an occupied city Nannie s diary poignantly recounts how she and those around her continued to fight long after the war was over not in battles but to maintain their lives in a war torn community Though numerous women s Civil War diaries exist Nannie s is unique in that she also recounts her postwar life and the unexpected financial struggles she and her family experienced in the post Reconstruction South Nannie s diary may record only one woman s experience but she represents a generation of young women born into a society based on slavery but who faced mature adulthood in an entirely new world of decreasing farm values increasing industrialization and young women entering the workforce Civil War scholars and students alike will learn much from this firsthand account of coming of age during the Civil War Minoa D Uffelman is an associate professor of history at Austin Peay State University Ellen Kanervo is professor emerita of communications at Austin Peay State University Phyllis Smith is retired from the U S Army and currently teaches high school science in Montgomery County Tennessee Eleanor Williams is the Montgomery County Tennessee historian

Innocence and Loss Cristina Alsina Rísquez, Cynthia Stretch,2014-06-02 A fierce national outcry for righteously waging war has long dominated American culture From at least the wildly popular Spanish American War and the US military invasion of the Philippines that infuriated Mark Twain right up to the current Global War on Terrorism this is a deadly dark current coursing

throughout American history Meanwhile dissenting analyses of the patriotic gore have until recently been paid scant attention in the popular media Delving into this history this probing collection of essays explores ways in which the compulsive redeployment of innocence in the launching cheering and retelling of America s wars endlessly defers a national reckoning as the editors astutely state in their introduction The works in this collection reflect an effort to add more voices where they are desperately needed

Confederate Daughters Coming Of Age During The Civil War Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Confederate Daughters Coming Of Age During The Civil War PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting,

traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Confederate Daughters Coming Of Age During The Civil War PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Confederate Daughters Coming Of Age During The Civil War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Confederate Daughters Coming Of Age During The Civil War Books

1. Where can I buy Confederate Daughters Coming Of Age During The Civil War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
