

A romantic painting of a man and a woman in a bed. The man is shirtless and has his arms around the woman, who is wearing a white off-the-shoulder dress. They are both looking down at each other with a soft expression. The background is a deep purple, and the bed has white linens. The overall mood is intimate and sensual.

Identity, Place, and Subversion in Contemporary Mizrahi Cinema in Israel Yaron Shemer, 2013-07-30 In *Identity Place and Subversion in Contemporary Mizrahi Cinema in Israel* Yaron Shemer presents the most comprehensive and systematic study to date of Mizrahi Oriental Jewish or Arab Jewish films produced in Israel in the last several decades Through an analysis of dozens of films the book illustrates how narratives characters and space have been employed to give expression to Mizrahi ethnic identity and to situate the Mizrahi within the broader context of the Israeli societal fabric The struggle over identity and the effort to redraw ethnic boundaries have taken place against the backdrop of a long standing Zionist view of the Mizrahi as an inferior other whose Levantine culture posed a threat to the Western oriented Zionist enterprise In its examination of the nature and dynamics of Mizrahi cinema defined by subject matter the book engages the sensitive topic of Mizrahi ethnicity head on confronting the conventional notion of Israeli society as a melting pot and the widespread dismissal of ethnic divisions in the country Shemer explores the continuous marginalization of the Mizrahi in contemporary Israeli cinema and the challenge some Mizrahi films offer to the subjugation of this ethnic group He also studies the role cultural policies and institutional power in Israel have played in shaping Mizrahi cinema and the creation of a Mizrahi niche in cinema In a broader sense this pioneering work is a probing exploration of Israeli culture and society through the prism of film and cinematic expression It sheds light on the play of ethnicity class gender and religion in contemporary Israel and on the heated debates surrounding Zionist ideology and identity politics By charting a new territory of academic inquiry grounded in an interdisciplinary theoretical framework the study contributes to
