Poetry Unbound Mike Chasar, 2020-04-28 It's become commonplace in contemporary culture for critics to proclaim the death of poetry Poetry they say is no longer relevant to the modern world mortally wounded by the emergence of new media technologies In Poetry Unbound Mike Chasar rebuts claims that poetry has become a marginal art form exploring how it has played a vibrant and culturally significant role by adapting to and shaping new media technologies in complex unexpected and powerful ways Beginning with the magic lantern and continuing through the dominance of the internet Chasar follows poetry's travels off the page into new media formats including silent film sound film and television Mass and nonprint media have not stolen poetry's audience he contends but have instead given people even more ways to experience poetry Examining the use of canonical as well as religious and popular verse forms in a variety of genres Chasar

also traces how poetry has helped negotiate and legitimize the cultural status of emergent media Ranging from Citizen Kane to Leave It to Beaver to best selling Instapoet Rupi Kaur this book reveals poetry's ability to find new audiences and meanings in media forms with which it has often been thought to be incompatible Illuminating poetry's surprising multimedia history Poetry Unbound offers a new paradigm for understanding poetry's still evolving place in American culture **The Puzzle of Poetry** John Marsh,2020-04-07 The Puzzle of Poetry offers students a readable reliable guide to understanding poetry Instead of carving poems up into their elements The Puzzle of Poetry describes how experienced readers of poems go about understanding them Each line sentence or syntactical unit in a poem is a clue to the puzzle As with crossword puzzles figuring out the answer to one clue can help you figure out the answer to others This book teaches the reader to check what they know in a poem against what else they know to find meaning a systematic but creative approach that can help language to come alive Each chapter contains a lively and personal discussion of one part of the art of reading poetry a short guide to writing about poetry is also included The book introduces students to a variety of poems from Anglo Saxon verse to Hamilton and Jay Z *Love Notes* Tyler Knott Gregson,2016 Each one of these typewritten poems is a spontaneous romantic gesture waiting to happen **The Typewriter Revolution** Richard Polt,2015-10-22 The connoisseur's guide to the typewriter entertaining and practical What do thousands of kids makers poets artists steampunks hipsters activists and musicians have in common They love typewriters the magical mechanical contraptions that are enjoying a surprising second life in the 21st century striking a blow for self reliance privacy and coherence against dependency surveillance and disintegration The Typewriter Revolution documents the movement and provides practical advice on how to choose a typewriter how to care for it and what to do with it from National Novel Writing Month to letter writing socials from type ins to typewritten blogs from custom painted typewriters to typewriter tattoos It celebrates the unique quality of everything typewriter fully illustrated with vintage photographs postcards manuals and more *Miracle in the Mundane* Tyler Knott Gregson,2019-03-05 The national bestselling author of Chasers of the Light pulls back the curtain on his creative process to share how to unlock creativity and lead a more mindful and compassionate life Every day Tyler Knott Gregson posts romantic and striking poems on Instagram enchanting his many fans with his authentic and deeply personal voice He has a remarkable ability to see the beauty within the seemingly mundane moments of our lives and above all else this is what keeps his fans coming back for more Tyler's newest book showcases his inspiring poems but it also goes one step deeper to reveal his secrets to cultivating this sense of wonder for the world In this insightful guide you will learn how to uncover your creativity find inspiration and live a life that is more Through a series of challenges you are encouraged to write draw photograph and share as you discover how to see yourself in a new way Featuring exercises on mindfulness and self expression as well as a poem for every prompt this book will broaden your heart and mind to see the miracles hidden all around you *The Routledge Companion to Media Technology and Obsolescence* Mark Wolf,2018-11-21 While so many books on technology look at new advances and
