Leann Brown,Michael Kenney,Michael J. Zarkin,2006 Packed with case studies all based on original research this volume investigates how various organizations exploit experience and knowledge to change their activities and understanding of the world The volume addresses a variety of issue areas such as the US embargo against Cuba food security Colombian drug trafficking terrorist groups the Catholic Church and foreign aid agencies *The Electoral Challenge: Theory Meets Practice* Stephen C Craig,2006 If most elections are decided by forces beyond anyones immediate control whether its national economic conditions or voters longstanding partisan attachments do campaigns really matter Scholars and political consultants will give you different answers While scholars insist that consultants operate by the seat of their pants promoting the latest folk wisdom about which strategies and tactics work not knowing one way or the other until its too late consultants claim that the academics tell us what they already know or if not their studies are simply wrong So who is right Stephen Craig takes up the challenge and brings together the voices and ideas of both groups in this engaging and innovative volume He aims to determine what we know and do not know based on empirical rather than anecdotal evidence about the factors that determine election outcomes While the backdrop is academic the focus is practical why do some candidates win and others lose on election day Each chapter contains an essay from a top scholar in the field followed in most cases by a response from the political consultants so students actually interact with this discourse By including the views and experiences of both groups the result is a dialogue from very different yet complementary perspectives on how campaigns matter Prentice Hall Civics James Edwin Davis,2001 **Independent Schools** ,1998 **Political Research Quarterly** ,2003 *Magruder's American Government Constitution Study Guide Teacher's Manual* James Edwin Davis,Close Up Foundation,Pearson/Prentice Hall,Prentice-Hall, Inc,2006-06-30 **Understanding Your International**
