Corporations Law in Australia Roman Tomasic, Stephen Bottomley, Rob McQueen, 2002 The second edition of this text incorporates the latest changes to Australian corporations law up to and including the Corporations Act 2001 and the Financial Services Reform Act 2001 Like the 1st edition this text is written particularly for undergraduate law students The book introduces students to Australian corporate law in a way that is informed by theory and policy Throughout the book the authors draw upon materials from fields such as economics sociology and politics to provide a contextually relevant account of modern corporate law Ample references and pointers are provided to policy debates contemporary issues and to further reading The authors bring considerable experience in interdisciplinary corporate law teaching and research The authors aim to stimulate the reader into further critical analysis of corporate law issues and to equip them with the capacity to respond in an informed way to future changes and developments The book also encourages the reader to independently pursue further research in areas of corporate law Each of the 25 chapters has been revised and updated The book deals with Introduction the history of corporate law and key themes and perspectives Corporate Structures and Regulation including the structure of Australian corporate law ASIC's role and powers and the role of auditors Corporate Obligations including corporate capacity contractual and criminal liability Corporate Governance membership and meetings directors duties shareholders rights Corporate Finance including share and debt capital the Managed Investments Act 1998 and fundraising Securities and Takeovers Corporate Rescues and Winding Up

A Concise Treatise on the Law of Corporations Having Capital Stock Charles Tappan Haviland, 1890 Concise Corporate Law R. C. Williams, 1994 **Concise Corporations Law** Julie A. Cassidy, 2003-01-01 This fourth edition of Concise Corporations Law has been thoroughly revised in response to the major legislative and judicial developments in corporations law The constitutional crisis discussed in the third edition has been addressed through among other things a referral of powers from the States to the Commonwealth that allowed the latter to enact the Corporations Act 2001 Cth and Australian Securities Commission Act 2001 Cth Amendments to the Criminal Code 1995 Cth have also made many offences including those under some provisions of the Corporations Act 2001 Cth strict liability offences A new regime for the regulation of financial services and products has been effected by the Financial Services Reform Acts 2001 Cth Judicially there have been a number of important cases dealing with inter alia company meetings directors duties and derivative actions Notable among these cases is ASIC v Adler which arose out of the collapse of HIH Insurance Corporate Law and Climate Change Andrew Clarke, 2024-08-26 This book provides an analysis of the

impact of the climate crisis on corporate law and theory in the coming decades as the world seeks to meet the target of net zero carbon emissions by 2050 Net zero targets are a particular challenge for an economy such as Australia which has a historical reliance on fossil fuels and powerful interests arguing for the continued use of coal and gas The book examines four recent corporate case studies in Australia The first two follow the Adani group of companies and coal in Queensland and Rio Tinto and the destruction of ancient rock shelters in the midst of iron ore mining in WA The book then covers the pension fund member Mark McVeigh issuing proceedings against REST super in relation to long run investment decisions and the need to take into account climate risk Finally it discusses Sharma a representative action taken by school children against the Federal government in relation to expansion plans in relation to fossil fuels alleging breach of the duty of care These case studies highlight some of the key trends and challenges in the intersection between corporate activity and the need to account for climate risk and adaptation with Australia as a G20 economy having much to contribute to the global debate The book will be of interest to students and researchers in the field of climate and environmental law as well as corporate law and theory

The Law of Business Organizations Martin Schulz, Oliver Wasmeier, 2012-01-05 This book gives a concise introduction to the German law of business organizations and is meant to help business practitioners and international students to familiarize themselves with its key concepts and legal issues After outlining some characteristic features of the German legal system the book describes the various types of German business organizations with a special focus on the German Limited Liability Company GmbH and the German Stock Corporation AG The book discusses some typical problems faced by companies engaged in cross border activities and also provides a brief outline of some recent developments in European company law with a special focus on the new multinational corporate form of the European Company SE
