**Confederate Generals in the Trans-Mississippi, Vol 1** Lawrence L. Hewitt, Arthur W. Bergeron, Thomas E. Schott, 2013-04-30 Until relatively recently conventional wisdom held that the Trans Mississippi Theater was a backwater of the American Civil War Scholarship in recent decades has corrected this oversight and a growing number of historians agree that the events west of the Mississippi River proved integral to the outcome of the war Nevertheless generals in the Trans Mississippi have received little attention compared to their eastern counterparts and many remain mere footnotes to Civil War history This welcome volume features cutting edge analyses of eight Southern generals in this most neglected theater Thomas Hindman Theophilus Holmes Edmund Kirby Smith Mosby Monroe Parsons John Marmaduke Thomas James Churchill Thomas Green and Joseph Orville Shelby providing an enlightening new perspective on the Confederate high command Although the Trans Mississippi has long been considered a dumping ground for failed generals from other regions the essays presented here demolish that myth showing instead that with a few notable exceptions Confederate commanders west of the Mississippi were homegrown not imported and compared well with their more celebrated peers elsewhere With its virtually nonexistent infrastructure wildly unpredictable weather and few opportunities for scavenging the Trans Mississippi proved a challenge for commanders on both sides of the conflict As the contributors to this volume demonstrate only the most creative minds could operate successfully in such an unforgiving environment While some of these generals have been the subjects of larger studies others including Generals Holmes Parsons and Churchill receive their first serious scholarly attention in these pages Clearly demonstrating the independence of the Trans Mississippi and the nuances of the military struggle there while placing both the generals and the theater in the wider scope of the war these eight essays offer valuable new insight into Confederate military leadership and the ever vexing questions of how and why the South lost this most defining of American conflicts *Confederate Generals in the Trans-Mississippi, vol. 2* Lawrence Lee Hewitt, Thomas E. Schott, 2015-05-15 In contrast to Robert E Lee s Army of Northern Virginia the armies and events of the Civil War s Trans Mississippi Theater have received scant historical attention to the detriment of our understanding not only of individuals and events west of the Mississippi River but also to the east of it In *Confederate Generals in the Trans Mississippi Volume 2* noted Civil War historians offer fresh scholarship on eight generals who made names for themselves in the region providing intriguing insight into important wartime issues in the Trans Mississippi and beyond Contrary to popular belief the Trans Mississippi did not serve as a dumping ground for generals who had failed in Virginia Instead the majority of generals who served in the region were homegrown and faced challenges unknown to their counterparts in the East expansive territory few men and limited transportation for the meager supplies available Superior Union numbers in the West however did not guarantee Union victory As these essays show southern generals often beat themselves because of personal failings or an inability to work together Sterling Price and Ben McCulloch refused to cooperate Henry Sibley combined alcoholism with cowardice and the

able French born Prince de Polignac faced language barriers The war ended before Joseph Brent a visionary regarding tank warfare could make his name as a brigadier and Prince John Magruder s achievements in Texas remain overshadowed by his earlier career in Virginia The Cajun Alfred Mouton a superior leader died on a battlefield in his native Louisiana while Mosby Parsons survived the war only to be murdered by Mexican cavalry While some of these generals breathed life into the Confederacy others hastened its downfall By chronicling the lives and careers of these eight generals this welcome volume integrates the Trans Mississippi more fully with the Western Theater and illuminates critical issues vital to understanding the South s ultimate defeat Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University He is the author of Port Hudson Confederate Bastion on the Mississippi and coeditor of six anthologies dealing with America s Civil War Thomas E Schott worked as a historian for the Department of Defense He is the author of Alexander H Stephens of Georgia A Biography winner of the Jefferson Davis Award and coeditor with Lawrence Hewitt of Lee and His Generals Essays in Honor of T Harry Williams

**Confederate Generals in the Trans-Mississippi, Vol 3** Thomas E. Schott, Lawrence Lee Hewitt, 2024-01-12 Far removed from the main centers of commerce and population and thus remote from the priorities of Confederate political leaders in the East the Trans Mississippi Theater experienced a different sort of war during America s great fratricidal conflict of 1861 1865 Not only was its distance from Richmond a distinguishing factor but it was also a theater where the Union army and navy gained a foothold far sooner than elsewhere in the South first in Missouri and then in Louisiana and the Mississippi River Valley Confederate generals were tasked with ousting not merely halting an enemy closing from two directions guerrilla warfare was more often the norm than the exception and the shortage of men and materiel was a constant problem The third volume of Confederate Generals in the Trans Mississippi offers eight new essays on generals engaged in the effort to secure a region whose unique challenges would have daunted the best of commanders Included here are Joseph G Dawson III on Earl Van Dorn s efforts to bring order to the chaos of the Trans Mississippi District and how his experiences affected his battlefield performance in 1862 Jeffery M Prushankin on the administrative nightmares facing Edmund Kirby Smith when he assumed responsibility for the region in 1863 and Richard Holloway on the formidable army commander Richard Taylor and the all but forgotten effort to move Confederate troops east of the Mississippi in 1864 Essays on Hamilton Prioleau Bee James Fleming Fagan William Robertson Boggs Tom Green and Austin Wharton round out the collection Like its predecessors this new volume brings splendid research and a wealth of new insight and analysis to bear on an aspect of the Civil War whose historical significance has too long been overshadowed by the events farther east

*Confederate Generals in the Trans-Mississippi* Lawrence L. Hewitt, Arthur W. Bergeron, Thomas E. Schott, 2013-04-30 Until relatively recently conventional wisdom held that the Trans Mississippi Theater was a backwater of the American Civil War Scholarship in recent decades has corrected this oversight and a growing number of historians agree that the events west of the Mississippi River proved integral to the outcome of the war Nevertheless generals in the Trans Mississippi have

received little attention compared to their eastern counterparts and many remain mere footnotes to Civil War history. This welcome volume features cutting edge analyses of eight Southern generals in this most neglected theater: Thomas Hindman, Theophilus Holmes, Edmund Kirby Smith, Mosby Monroe Parsons, John Marmaduke, Thomas James Churchill, Thomas Green, and Joseph Orville Shelby, providing an enlightening new perspective on the Confederate high command. Although the Trans Mississippi has long been considered a dumping ground for failed generals from other regions, the essays presented here demolish that myth, showing instead that with a few notable exceptions, Confederate commanders west of the Mississippi were homegrown, not imported, and compared well with their more celebrated peers elsewhere. With its virtually nonexistent infrastructure, wildly unpredictable weather, and few opportunities for scavenging, the Trans Mississippi proved a challenge for commanders on both sides of the conflict. As the contributors to this volume demonstrate, only the most creative minds could operate successfully in such an unforgiving environment. While some of these generals have been the subjects of larger studies, others, including Generals Holmes, Parsons, and Churchill, receive their first serious scholarly attention in these pages. Clearly demonstrating the independence of the Trans Mississippi and the nuances of the military struggle there, while placing both the generals and the theater in the wider scope of the war, these eight essays offer valuable new insight into Confederate military leadership and the ever vexing questions of how and why the South lost this most defining of American conflicts.

Lawrence Lee Hewitt was professor of history at Southeastern Louisiana University. He is the coeditor with Bruce S. Allardice of *Kentuckians in Gray: Confederate Generals and Field Officers of the Bluegrass State*. He and Arthur W. Bergeron Jr. coedited three volumes of *Confederate Generals in the Western Theater*. Until his death in 2010, Arthur W. Bergeron Jr. was a reference historian with the United States Army Military History Institute. He was the author of *Confederate Mobile, 1861-1865* and coeditor with Lawrence Lee Hewitt of *Louisianians in the Civil War*. Thomas E. Schott worked for many years as a historian for the U.S. Air Force and U.S. Special Operations Command. He is the author of *Alexander H. Stephens of Georgia*, which won the Jefferson Davis Award. He has authored numerous articles on subjects ranging from the Civil War to baseball. Schott is coeditor with Lawrence Lee Hewitt of *Lee and His Generals: Essays in Honor of T. Harry Williams*. *Confederate Generals in the Western Theater, vol. 4*. Lawrence Lee Hewitt, Thomas E. Schott, 2024-01-12. Like its predecessors, the fourth and final volume of *Confederate Generals in the Western Theater* is an invaluable contribution to the historiography of a poorly understood theater of war, presenting new interpretations of major figures while bringing to light both the triumphs and failures of lesser known generals. Its cutting edge scholarship offers further grounding for the editors' contention that the South's bid for independence was lost on its western battlefields and that the responsibility for those defeats lay more with the Confederate generals than with their opponents. Among the ten chapters, this collection includes C. David Dalton on the death of Felix Zollicoffer at the Battle of Mill Springs in Kentucky; Roger Durham on Robert E. Lee's leadership early in the war of the Department of South Carolina, Georgia, and East Florida; Brian S. Wills on Abraham Buford's behind-the-scenes

contributions to Nathan Bedford Forrest's famous exploits the late Nathaniel Cheairs Hughes Jr on the achievements and failings of Gideon J Pillow James M Prichard on John Hunt Morgan and his last Kentucky raid and Keith S Bohannon on Edward C Walthall a Virginia lawyer who overcame his lack of prior military experience to become one of the ablest generals in any of the war's theaters Some essays offer full biographies of their subjects others focus on a single campaign Along with the previous volumes this exemplary collection encourages an important rethinking of the course of the Civil War and its ultimate outcome Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University He is the author of Port Hudson Confederate Bastion on the Mississippi among other publications and his honors include the 2013 Nevins Freeman Award for the advancement of American Civil War scholarship and support for the Round Table movement Thomas E Schott worked as a historian for the Department of Defense He is the author of Alexander H Stephens of Georgia A Biography which won the Jefferson Davis Award He is coeditor and contributor with Lawrence Hewitt of Lee and His Generals Essays in Honor of T Harry Williams as well as several volumes of Confederate Generals in the Western Theater and Confederate Generals in the Trans Mississippi

**Decisions at Perryville** Lawrence K. Peterson, 2023-08-18 The largest battle fought in Kentucky during the American Civil War occurred at a small crossroads town named Perryville As Gen Braxton Bragg's Confederate Heartland Offensive sputtered through Kentucky Maj Gen Don Carlos Buell's reformed Army of the Ohio pursued the Army of the Mississippi and clashed with its rearguard just outside Perryville Believing that he faced only a part of Buell's army Bragg ordered an assault on the Union left flank which resulted in Confederate victory However that evening Bragg determined the Army of the Ohio outnumbered him three to one and quickly decided to retreat

**To 1865, Volume II - The Union** André Geraque Kiffer, 2025-01-16 The American Civil War fought between April 12 1861 and May 26 1865 in the United States between the Union the North and the Confederacy the South which was formed in 1861 by states that had seceded from the Confederacy The Anaconda Plan was a strategy devised by the Union to suppress the Confederacy at the beginning of the American Civil War Proposed by Union General in Chief Winfield Scott the plan emphasized that first all ports in the seceding states should be strictly blockaded Second a strong column of about 80 000 men should use the Mississippi River as a highway to advance through the Confederacy In developing the war simulation I will use the board game For the People by GMT Games I will test ideas presented in the book A Critical History of the Late American War by Asa Mahan published in 1877 **Decisions of the 1862 Kentucky Campaign** Lawrence K.
