Concussion Inc. Irvin Muchnick,2015-02-01 Inside the most controversial issue in sports Traumatic brain injury in football is not incidental but an inevitable and central aspect of the sport Starting in high school through college and into the NFL young players face repeated head trauma and those sustained injuries create lifelong cognitive and functional difficulties Muchnick s Concussion Inc blog exposed the decades long cover up of scientific research into sports concussions and the ongoing denial to radically reform football in North America This compilation from Muchnick s no holds barred investigative website reveals the complete head injury story as it developed from the doctor who played fast and loose with the facts about the efficacy of the state mandated concussion management system for high school football players to highly touted solutions that are more self serving cottage industry than of any genuine benefit Known for extensive reporting on the tragic story of the Chris Benoit murder suicide Muchnick turns his investigative analysis to traumatic brain injury and probes deep into the corporate government and media corruption that has enabled the 10 billion a year National Football League to trigger a public health crisis

Ringmaster Abraham Josephine Riesman,2024-04-16 Even if you ve never watched a minute of professional wrestling you are living in Vince McMahon s world In his four decades as the defining figure of American pro wrestling McMahon was the man behind Dwayne The Rock Johnson Stone Cold Steve Austin John Cena Dave Bautista Bret The Hitman Hart and Hulk Hogan to name just a few of the mega stars who owe him their careers For more than twenty five years he has also been a performer in his own show acting as the diabolical Mr McMahon a figure who may have more in common with the real Vince than he would care to admit Just as importantly McMahon is one of Donald Trump s closest friends and Trump s experiences as a performer in McMahon s programming were in many ways a dress rehearsal for the

45th President's campaigns and presidency McMahon and his wife Linda are major Republican donors Linda was in Trump's cabinet McMahon makes deals with the Saudi government worth hundreds of millions of dollars And for generations of people who have watched wrestling he has been a defining cultural force Accessible to anyone regardless of wrestling knowledge Ringmaster is an unauthorized independent investigative chronicle of Vince McMahon's origins and rise to supreme power It is built on exclusive interviews with more than 150 people from McMahon's childhood friends to those who accuse him of destroying their lives Far more than just an athletics or entertainment biography Ringmaster uses Vince's story as a new lens for understanding the contemporary American apocalypse Author's website **Populism and**

tracking down former WWF employees childhood friends and mutually curious archivists Wrestling is perceived as a subculture without a cultural home somewhere between sport and theater often dismissed as silly and low brow But what makes this book so compelling is the humanity beneath each wrestler The Iron Sheik Hulk Hogan and the rest of the cast were not characters in a comic book movie They were real people with families and feelings and bodies that could break Most of them did in fact break some have been repaired but none of them will ever be the same *Ballyhoo!* Jon Langmead,2024-01-29 *Ballyhoo The Roughhousers Con Artists and Wildmen Who Invented Professional Wrestling* is a history of professional wrestling s formative period in the U S from roughly 1874 to 1941 and the contested interplay of wrestlers and promoters who built the sport as we know it During this period the major conventions that would define wrestling to the present day were perfected and codified as wrestling morphed from a rough sport practiced on farms and at town gatherings to melodramatic mass entertainment that reliably drew large crowds in cities across the nation The narrative uses the life and career of Jack Curley a boxing promoter whose fortune took a turn for the better when he began promoting wrestling matches as a compass as it charts the development of wrestling By the late 1910s Curley s shows were selling out Madison Square Garden monthly *Ballyhoo* chronicles his competition with the other promoters as well as the lives of colorful athletes like Strangler Ed Lewis Frank Gotch the Masked Marvel Jim Londos Gorgeous George Wagner Farmer Martin Burns and Dynamite Gus Sonnenberg *Sisterhood of the Squared Circle* Pat Laprade,Dan Murphy,2017-04-11 Documenting the rise of women s wrestling from sideshow to WWE main event *Sisterhood of the Squared Circle* presents the fascinating history of women s wrestling from the carnival circuit of the late 1800s to today s hugely popular matches With more than 100 wrestler profiles find out how backstage politics real life grudges and incredible personalities shaped the business The careers of many well known trailblazers including Mildred Burke the Fabulous Moolah Mae Young Penny Banner Wendi Richter Trish Stratus Chyna and Lita are celebrated alongside today s stars like Charlotte Sasha Banks and Bayley p p1 margin 0 0px 0 0px 0 0px 0 0px font 16 0px Times webkit text stroke 000000 span s1 font kerning none With rare photographs and an exploration of women s wrestling worldwide including chapters on Japan Mexico England and Australia *Sisterhood of the Squared Circle* is a priceless contribution to the history of professional wrestling p p1 margin 0 0px 0 0px 0 0px 0 0px font 16 0px Times webkit text stroke 000000 span s1 font kerning none *Irresistible Force* Brian R. Solomon,2025-09-30 What a monumental achievement this book is I was fascinated from the first page Brian Solomon filled in so many blanks for me and also reintroduced many wrestlers I d long forgotten about I ll put it right next to my favorite pro wrestling books ever Bret Hart Features rare photos and a detailed career timeline exploring Gorilla s groundbreaking contributions to the sport A crucial figure in the development of what would eventually become the juggernaut known as WWE Robert Gino Marella better known as Gorilla Monsoon has never had his whole story told until now It s a story that starts with the aspirations of the son of Italian immigrants who becomes a national standout in collegiate wrestling and an Olympic hopeful then takes an

unlikely trajectory through the bizarre world of pro wrestling eventually landing him in what was then known as the WWWF From Gino s wrestling days as the rampaging monster who sold out Madison Square Garden and challenged world champion Bruno Sammartino dozens of times to his pivotal role behind the scenes as part owner and would be successor to Vince McMahon Sr to his days as the beloved television commentator who narrated the memories of millions of young fans Brian Soloman the author of Blood and Fire The Unbelievable Real Life Story of Wrestling s Original Sheik has once again crafted the definitive biography of one of the most fascinating characters in pro wrestling history Gino s name and his voice are etched deep in the memory of wrestling fans the world over This is his incredible story **The Last Gladiator** Scott Beekman,2025-10-07 The incredible career of the forgotten but foundational pro wrestler who shaped American sports culture William Muldoon was an infamous athlete whose prowess savvy and chicanery across his six decade career led him to wealth cultural importance and political power Muldoon the child of poor Irish immigrants began wrestling in the 1870s and quickly became one of the most famous athletes of the post Civil War era He started acting and modeling as his popularity grew making him one of the first sports stars to achieve crossover success After a triumphant stint rehabilitating fallen boxing heavyweight champion John L Sullivan in 1889 he retired from the ring and began a new career as a fitness impresario founding an elite gymnasium and remaking himself as a health authority in the press He became trainer to the rich famous and politically powerful which led to his appointment as chair of the New York State Athletic Commission in the 1920s From this position Muldoon exerted his influence over the rules of boxing and wrestling and weaponized his power to maintain segregation in sport The Last Gladiator is a deep insightful dive into Muldoon s life and impact demonstrating the significance of this often controversial figure in the development of American sports professional wrestling and physical and popular culture Death of the Territories Tim Hornbaker,2018-09-18 For decades distinct professional wrestling territories thrived across North America Each regionally based promotion operated individually and offered a brand of localized wrestling that greatly appealed to area fans Promoters routinely coordinated with associates in surrounding regions and the cooperation displayed by members of the National Wrestling Alliance made it easy for wrestlers to traverse the landscape with the utmost freedom Dozens of territories flourished between the 1950s and late 70s But by the early 1980s the growth of cable television had put new outside pressures on promoters An enterprising third generation entrepreneur who believed cable was his opportunity to take his promotion national soon capitalized on the situation A host of novel ideas and the will to take chances gave Vincent Kennedy McMahon an incredible advantage McMahon waged war on the territories and raided the NWA and AWA of their top talent By creating WrestleMania jumping into the pay per view field and expanding across North America McMahon changed professional wrestling forever Providing never before revealed information Death of the Territories is a must read for fans yearning to understand how McMahon outlasted his rivals and established the industry s first national promotion At the same time it offers a comprehensive look at the promoters who opposed McMahon focusing on

their noteworthy power plays and embarrassing mistakes
