Capm Exam Prep 3rd Edition:

Rita Mulcahy's CAPM Exam Prep Rita Mulcahy, 2018 **Capm Exam Prep** Rita Mulcahy, 2006-08-24 **PMP/CAPM Exam Preparation Guide** Thomas Sheffrey, 2006 Business Economics Project Management When you're studying for the PMP or CAPM exam the most important thing to manage is your time. This practical guide will help you study for the Project Management Professional PMP or Certified Associate in Project Management CAPM Certification Exam more efficiently and productively. It is aligned with and references PMI's Project Management Body of Knowledge Third Edition PMBOK Guide. Unlike other review materials that are organized according to knowledge areas and cover the forty-four processes almost equally, this guide divides materials into process groups or domains and weights your review materials the way PMP or CAPM weights the exam. For example, approximately 11% of the exam questions will be on the Initiation Phase, so approximately 11% of the review materials in this book covers the Initiation Phase. The guide flows like projects flow. There are six sections: Initiation Phase, Planning Phase, Execution Phase, Monitor and Control Phase, Closing Phase, Professional Responsibility. This is not an unabridged everything you ever need to know about project management guide. It focuses exclusively on information you need to know to pass the exam and features a total of 175 pre-review questions and 175 post-review questions along with complete answers and explanations. The facts are presented clearly and concisely with no frills, no fine print, and no digression. Terms, definitions, formulas, charts, diagrams, and lists that help you retain the information and pass the test. Advice on how to study and how to take the actual exam, plus a comprehensive index so it's easy to find information you want to review.

Dictionary of Project Management Terms, Third Edition J. LeRoy Ward, 2011-12-21 More than 3,400 clear definitions of key terms, words, and phrases used by project and program managers around the world in every industry. A valuable desk or briefcase reference for those engaged in one of the world's fastest growing professions and for those who work with them. *Certified Associate in Project Management (CAPM)® Exam Official Cert Guide* Vijay Kanabar, Arthur P.
