Die Familie und ihr Unternehmen Brun-Hagen Hennerkes, Rainer Kirchdörfer, 2015-05-11 Die Autoren zeigen wie Familienunternehmen erfolgreich geführt und abgesichert werden Mit diesem zum Klassiker avancierten Grundlagenbuch das jetzt komplett bearbeitet und aktualisiert wurde weisen sie Familienunternehmen einen sicheren Weg durch die immer komplexeren Strukturen Finanzierungsmodelle und Steuer sowie Nachfolgekonzpte **Familienunternehmen und Publikumsgesellschaft** Caspar von Andreae, 2007-09-25 Caspar von Andreae nimmt eine systematische Gegenberstellung von Publikumsgesellschaften und Familienunternehmen vor welche nicht minder erfolgreich auf den internationalen Märkten agieren Er kommt zu dem Ergebnis dass das Zusammenfallen von Eigentum und Verfügungsgewalt der Umsetzung moderner Managementmethoden teilweise sogar f rderlich ist und dass Familien und Publikumsgesellschaften aufgrund komplementärer Stärken Schwächen Profile intensiv von einander lernen können **Familienunternehmen** Tom A. Rüsen, 2009 Dieses Werk kn pft unmittelbar an den ersten Band Beitr ge zur Theorie des Familienunternehmens an Es enth lt bereits veröffentlichte Beitr ge die zeitlos und von gegenw rtiger Relevanz sind Im vorliegenden Band werden spezielle Problemfelder von Familienunternehmen betrachtet Wie muss die Führung im Familienunternehmen agieren Was ist im Krisenfall zu tun Wie sollte sich eine Unternehmerfamilie organisieren Was sind die Besonderheiten in der Beratung von Familienunternehmen The Two Sides of the Business Family Arist von Schlippe, Tom A. Rüsen, Torsten Groth, 2021-01-04 This book focuses on a central success factor for family businesses maintaining the decision making ability over generations while not jeopardizing the business due to family conflict inefficient governance structures or lack of identification The authors identify that this is not as easy as the endeavor to bring two social systems together with contradicting logic family and business leads to many dangerous pitfalls This book presents outcomes of a unique research project in which family managers of eleven of the oldest and largest German family businesses at least the fourth generation met for more than three years on a regular basis and presented the essence of their family governance structures to each other and to the authors It was a joint learning journey that admits identifying twelve core questions that these families had been answering to keep up the relationship between family and business successfully over generations Obviously there is no right answer to these questions The key to success is rather engaging the families in a process to find out their own answers and make them aware of the two sides being a family is different from being a business family Managing Business Family Dynasties Tom A. Rüsen, Heiko Kleve, Arist von Schlippe, 2021-10-15 This book deals with dynastic business families Such families are characterized by a circle of owners comprising more than 50 family members which typically face specific issues and challenges for which there has been little research knowledge and practical approaches until now The book presents results and findings from a special research project on big family management where 7 representatives of dynastic families from Germany were studied over a 3 year period The result was the identification of six topic areas that management in these

business families has to deal with At the same time the study observes that dynastic business families hardly follow the logic of classic families anymore but can rather be understood as networks with common family backgrounds The study also reveals that a large number of business families are heading for large shareholder groups due to changed inheritance practices The contents outlined here provide an orientation framework for the growing business family

Conflicts and Conflict Dynamics in Business Families Arist von Schlippe, Tom A. Rüsen, 2024-02-20 Conflicts within the owner circle or rather within the family of the family business are often the main cause of existential crises for family businesses The damaging effects of unchecked family conflicts affect two social systems the family business and the business family itself The impairment of the survival capability of the family business goes hand in hand with the reduced chance of constructive follow up communication between family members Once caught up in conflict communication it is extremely difficult for business families to get out of it without the help of external knowledge It is therefore surprising that the topic of conflict prevention in business families has so far been given relatively little attention Against this background this book takes a closer look at the topic of Conflicts in the Business Family and deals with a number of topics that are essential to understanding the subject the specific challenges and conflicts that business families typically face as well as practically proven methods of conflict resolution at different levels The content is based on the experiences that the two authors have gained in a variety of research projects conflict moderation and family strategic consulting projects over the past 18 years The key findings from this wealth of experience are now made available to the general public

Beirat in der Krise Till-Alexander Freysoldt, 2013-11-20 Anhand von 24 Interviews mit Familienunternehmern Beiräten und Sanierungsexperten wird die Wirkung von wirtschaftlichen Krisen auf die Arbeit von freiwilligen Aufsichtsgremien in Familienunternehmen untersucht Dabei wird zum einen der Einfluss der verschiedenen Stakeholder auf die Aufgaben des Gremiums analysiert und zum anderen dessen Anpassung an die sich verändernden Rahmenbedingungen untersucht Es zeigt sich dass die einen Beirat umgebenden Stakeholder aufgrund der sich auseinander entwickelnden Interessenlagen ihr Verhalten ändern und so neue Konflikte entstehen können Ein Beirat kann an dieser Stelle als Moderator zwischen den Anspruchsgruppen einen erheblichen Mehrwert in der Krise schaffen wenn es ihm gelingt sich an die sich verändernden Rahmenbedingungen und daraus resultierenden neuen Aufgaben anzupassen Für einen Beirat entstehen hier vollkommen neue Herausforderungen im Hinblick auf die in und externe Zusammenarbeit und Kommunikation wie auch die eigene Struktur

Familienunternehmen und Zukunftsgestaltung Bernhard Baumgartner, 2010-03-24 Vorwort Mehr als fünfundzwanzig Jahre Arbeit in Familienunternehmen auf drei Kontinenten und folglich ein beträchtliches Maß an Erfahrung mit ihnen bilden die Grundlage für meine Untersuchungen Sie sind gleichsam der Stoff aus dem dieses Buch entstand Auftrag zugleich Ziel meiner Tätigkeit war grundsätzlich dabei Unternehmen welche im Besitz von Familien waren schnell und unkonventionell aber trotzdem behutsam eine neue strategisch nachhaltige Ausrichtung zu geben Eine meiner wesentlichen Aufgaben bestand nicht nur darin das

operative Geschäft des Unternehmens zu steuern sondern auch darin in und mit den Familien und deren oftmals unterschiedlichen Mitgliedern mit durchaus oftmals unterschiedlichen Interessen einen für alle Beteiligten akzeptablen Ansatz für die Lösung der anstehenden Probleme zu finden Solche Neuausrichtungen von Familienunternehmen beinhalteten generell eine Übergabe an einen Nachfolger oder eine Nachfolgerin in deren Führung Bei einer Vielzahl von Fällen war die Nachfolge ganz und gar nicht geregelt und so konnten bereits die negativen Auswirkungen dieser Tatsache jeweils auf das Unternehmen auf die Familie und auf eventuelle Anspruchsgruppen festgestellt werden Die Behandlung unterschiedlicher Interessenlagen stellte bei allen meinen bisher übernommenen Aufgaben eine besondere Herausforderung dar Neben einem rein sachlich und vernunftgemäßen zu lösenden Thema baute sich wie ich regelmäßig beobachten konnte ein häufiger dimensionsales emotionales Feld zwischen allen Beteiligten auf das an Feldstärke mit der sich abzeichnenden Übergabe an einen Nachfolger in zunahm
