Dies The Fire A Novel Of The Change:

Dies the Fire S. M. Stirling, 2004-08-03 S M Stirling presents his first Novel of the Change the start of the New York Times bestselling postapocalyptic saga set in a world where all technology has been rendered useless The Change occurred when an electrical storm centered over the island of Nantucket produced a blinding white flash that rendered all electronic devices and fuels inoperable and plunged the world into a dark age humanity was unprepared to face Michael Pound was flying over Idaho en route to the holiday home of his passengers when the plane s engines inexplicably died forcing a less than perfect landing in the wilderness And as Michael leads his charges to safety he begins to realize that the engine failure was not an isolated incident Juniper McKenzie was singing and playing guitar in a pub when her small Oregon town was thrust into darkness Now taking refuge in her family s cabin with her daughter and a growing circle of friends Juniper is determined to create a farming community to benefit the survivors of this crisis But even as people band together to help one another others are building armies for conquest

The Protector's War S. M. Stirling, 2006-09-05 It s been eight years since the Change rendered technology inoperable across the globe Rising from the ashes of the computer and industrial ages is a brave new world Survivors have banded together in tribal communities committed to rebuilding society In Oregon s Willamette Valley former pilot Michael Havel s Bearkillers are warriors of renown Their closest ally the mystical Clan Mackenzie is led by Wiccan folksinger Juniper Mackenzie Their leadership has saved countless lives But not every leader has altruistic aspirations Norman Armingier medieval scholar rules the Protectorate He has enslaved civilians built an army and spread his forces from Portland through most of western Washington State Now he wants the Willamette Valley farmland and he s willing to wage war to conquer it And unknown to both factions is the imminent arrival of a ship from Tasmania bearing British soldiers

A Meeting at Corvallis S. M. Stirling, 2007-09-04 A major work by an authentic master of alternate history Booklist Starred Review In the tenth year of the Change the survivors in western Oregon live in a world without technology Michael Havel s Bearkillers hold the lands west of Salem in peace and order To the east the Clan Mackenzie flourishes under the leadership of Juniper Mackenzie bard and High Priestess Together they have held Norman Armingier the warlord of Portland at bay With his dark fantasies of a neofeudal empire Armingier rules much of the Pacific Northwest spreading fear with his knights castles and holy inquisition Even more dangerous and perhaps Armingier s most powerful weapon of all is his ruthlessly cunning consort Lady Sandra These factions haven t met in battle because Armingier s daughter has fallen into Clan Mackenzie s hands But Lady Sandra has a plan to retrieve her even if it means plunging the entire region into open warfare

Lord of Mountains S. M. Stirling, 2013-09-03 Rudi Mackenize now Artos the First High King of Montival and his allies have won several key battles against the Church Universal and Triumphant But still the war rages on taking countless lives ravaging the land once known as the United States of America Artos and his Queen Mathilda must unite the realms into a single kingdom to ensure a lasting peace If the leaders of the Changed world are to accept Artos as their ruler he will need

to undertake a quest to the Lake at the Heart of the Mountains and take part in a crowning ceremony a ceremony binding him to his people his ancestors and his land Then once he has secured his place and allegiances Artos can go forward and lead his forces to the heart of the enemy s territory **The Tears of the Sun** S. M. Stirling,2012-09-04 Rudi Mackenzie has traveled from the land where the sun sets to the land where it rises and back He has found his weapon the Sword crafted for him before he was born He has made friends from among his enemies and found enemies where he expected friends He has won the heart and hand of the woman he has loved his entire life Now Rudi is Artos the High King of Montival and his final destiny awaits him He must face and defeat the forces of the Church Universal and Triumphant Everything in the present everything in the future depends on the outcome of the conflict And like his father before him Rudi knows that in winning the war he might well lose his life

Shadows of Falling Night S. M. Stirling,2014-02-04 She s back Near purebred Homo nocturnus Adrian Br z and his human mate Ellen thought they had dealt with his twin sister Adrienne In fact they thought she was dead But she survived and now leads a faction of the Shadowspawn the ancient shape shifting blood drinking breed who secretly control the world that wants to leave just enough of the human race alive to satisfy their hunger and serve their needs She has nothing but hatred and contempt for her brother who remains on the side of humanity fighting with the Brotherhood against the Shadowspawn To defeat him she has suborned his mentor the greatest warrior of the Brotherhood The man thinks he s bringing a weapon to the Council of Shadows that will wipe out the Shadowspawn s leaders In truth his actions will make Adrienne demon goddess of the world unless Adrian and Ellen can turn him back in time **The Golden**

Princess S. M. Stirling,2015-09-01 The New York Times bestselling author of The Given Sacrifice begins a new saga with a new generation of heroes set in the universe of the Change Princess rlaith heir to Rudi Mackenzie High King of Montival now wields the Sword of the Lady and faces a new enemy Fortunately she also has a new ally in Reiko Empress of Japan who has been pursued to America by a conquering army from Asia To combat their mutual foe rlaith and Reiko embark on a quest to find the fabled Kusanagi no Tsurugi the Grass Cutting Sword one of the three great treasures of the Japanese Imperial House But the road to Kusanagi lies beyond the meganecropolis of the City of Angels and their relentless enemy will stop at nothing to prevent them from succeeding For across the Pacific the great arc of land that stretches from the dark kingdom of Korea to the realm of Capricornia in Australia is threatened by war Now all the survivors of the Change must choose sides
