Die Letzten Tage Band:

Die letzten Tage Jesu Matti Myllykoski, 1994 **Lore und die letzten Tage** Killen McNeill, 2023-11-30 Killen McNeills Epos um eine junge Frau in den Wirren der letzten Tage des Zweiten Weltkriegs in der fränkischen Provinz Fränkische Geschichte hautnah erzählt Die junge Lore in der Bombennacht vom 2. Januar 1945 Vollwaise geworden flieht aus Nürnberg in das idyllische Dorf Seilar. Dort trifft sie den Hitlerjungen Anton, wieder in den sie sich im letzten Sommer als Erntehelferin verliebt hat. Mit ihm erlebt sie die letzten schrecklichen Tage des Krieges. Anton soll im Volkssturm Seilar verteidigen, will aber den Einsatz vereiteln, damit das Dorf vor dem Angriff der Amerikaner verschont bleibt. Doch in der Burg, die über Seilar thronet, hält sich ein SS-Verband auf, der gnadenlos Vergeltung für Verräter aus übt. 75 Jahre später bei einer Gedenkfeier für die Kriegsoffer kommen Lore Zweifel ob der Untergang des Dorfes tatsächlich so abgelaufen ist, wie es in den Reden geschildert wird. Es beginnt ein Wettlauf mit den eigenen letzten Tagen, um herauszufinden, ob ihr Leben auf eine Lege gebaut war.

The Power of Intellectuals in Contemporary Germany Michael Geyer, 2001-12-17 The German Democratic Republic has become the subject of novels, memoirs, and films, and the backdrop for general debates over the power of intellectuals in contemporary media and society. This collection considers the demise of the GDR and its impact on the place of intellectuals

, **Rodoald der letzte Sprössling der Langobardenkönige** J. N. Des Meslettes, 1867 **Neighbors and Neighborhoods** Yael Almog, Erik Born, 2012-03-15 *Neighbors and Neighborhoods: Living Together in the German Speaking World* is a bilingual collection of nine essays on culture, film, language, literature, and theory. The essays in this collection address questions of community and cohesion in the modern German speaking world, a complex sociolinguistic community that is no longer defined by territorial boundaries but that remains in many respects a neighborhood. How can neighborliness be possible for this world in an age of mass migration and increasing globalization? Given the fluidity of modern identity, what could make communities uniform, harmonious, or even cohesive if they can be created and dissolved in an instant? To what extent do modern technology and mass communication facilitate and/or inhibit the ability to inhabit multiple cultures and multiple worlds? Examining the specific constitution of the modern German speaking world, this volume contributes to recent scholarship in critical theory on the figure of the neighbor and the biblical injunction to love one's neighbor as oneself. The essays in this volume, proceeding in a roughly chronological order, expose how images of neighbors and neighborhoods have developed in the German speaking world over the course of the twentieth century. The examination of these developments should enrich both the study of multiculturalism and transnationalism in German Studies and that of subjectivity and political theology in critical theory. Offering a wide range of approaches to one critical topic, the essays in this volume will be useful to students and scholars in the fields of German Studies, cultural studies, language and literature, and film and media, especially those with an interest in secularism and globalization. *Karl Kraus and the Discourse of Modernity* Ari Linden, 2020-05-15 Ari Linden's *Karl Kraus and the Discourse of Modernity* reconsiders the literary works of the Viennese

satirist journalist and playwright Karl Kraus 1874 1936 Combining close readings with intellectual history Linden shows how Kraus's two major literary achievements *The Last Days of Mankind* and *The Third Walpurgis Night* and his adaptation of *The Birds* by Aristophanes *Cloudcuckooland* address the political catastrophes of the first third of Europe's twentieth century from World War I to the rise of fascism Kraus's central insight Linden argues is that the medial representations of such events have produced less an informed audience than one increasingly unmoved by mass violence In the second part of the book Linden explores this insight as he sees it inflected in the writings of Søren Kierkegaard Walter Benjamin and Theodor Adorno This hidden dialogue Linden claims offers us a richer understanding of the often neglected relationship between satire and critical theory

Hitler's Last Levy Hans Kissel, 2024-05-30 A companion volume to our very successful *In a Raging Inferno* *Combat Units of the Hitler Youth* Hans Kissel's study offers a highly detailed account of the German Volkssturm or Home Guard Formed from men unfit for military service the young and the old this ad hoc formation saw extensive combat during the desperate defense of the Reich 1944-45 The author describes the Volkssturm's training leadership organization armament and equipment in addition to its active service on both the Eastern and Western fronts The text is supported by an extensive selection of appendices including translations of documents and many fascinating eyewitness combat reports This edition also includes over 150 previously unpublished black and white photos and 4 pages of specially commissioned color uniform plates by Stephen Andrew

Karl Kraus 1933 Gal Hertz, Ron Mieczkowski, Ari Linden, 2024-12-16 The book provides new perspectives on the historical context surrounding Kraus's writings during the Third Reich as well as an analysis of *The Third Walpurgis Night* The contributions place Kraus's work in dialogue with a broader spectrum of critical voices including Adorno and Arendt Revisiting Kraus from these new perspectives contributes to a better understanding of this major intellectual of the first half of the 20th century
