Crooked Letter Crooked Letter A Novel:

Crooked Letter, Crooked Letter Tom Franklin, 2010-10-05 The classic trifecta of talent heart and a bone deep sense of storytelling A masterful performance deftly rendered and deeply satisfying For days on end I woke with this story on my mind David Wroblewski A powerful and resonant novel from the critically acclaimed author of *Smonk* and *Hell at the Breech* *Crooked Letter Crooked Letter* tells the riveting story of two boyhood friends torn apart by circumstance who are brought together again by a terrible crime in a small Mississippi town An extraordinary novel that seamlessly blends elements of crime and Southern literary fiction *Crooked Letter Crooked Letter* is a must for readers of Larry Brown Pete Dexter Ron Rash and Dennis Lehane In the late 1970s Larry Ott and Silas 32 Jones were boyhood pals Their worlds were as different as night and day Larry the child of lower middle class white parents and Silas the son of a poor single black mother Yet for a few months the boys stepped outside of their circumstances and shared a special bond But then tragedy struck Larry took a girl on a date to a drive in movie and she was never heard from again She was never found and Larry never confessed but all eyes rested on him as the culprit The incident shook the county and perhaps Silas most of all His friendship with Larry was broken and then Silas left town More than twenty years have passed Larry a mechanic lives a solitary existence never able to rise above the whispers of suspicion Silas has returned as a constable He and Larry have no reason to cross paths until another girl disappears and Larry is blamed again And now the two men who once called each other friend are forced to confront the past they ve buried and ignored for decades *Crooked Letter, Crooked Letter. who hopes his blueberries and biscuits will help ease the awkwardness of coming out to his elderly neighbor There are the ones who survived the frequent bar raids arrests and beatings But there is also the first kiss and the first love The experiences represented here pivot around a central theme finally finding language to understand one's identity and then discovering we were never the only ones Revealing a vibrant cross section of Southerners the writers of these narratives have in common the experience of being Southern and different but determined against all odds **The crooked letter**
