Ordinary Heroes Sally White, 2018-01-15 The major unsung humanitarian role of British civilians and charities in the Great War and the tremendous bravery and suffering of the volunteers **Croydon and the Great War** Ald; H. Keatley Moore, 2015-07-14 Excerpt from Croydon and the Great War The Official History of the War Work of the Borough and Its Citizens From 1914 to 1919 Together With the Croydon Roll of Honour About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Croydon and the Great War* Henry Keatley Moore, William Charles Berwick Sayers, 1920 **Zeppelin Onslaught** Ian Castle, 2018-05-30 A riveting account of the first sustained strategic aerial bombing campaign in history by German airships on Britain in the First World War At the outbreak of the Great War the United Kingdom had no aerial defense capability worthy of the name Britain had just thirty guns to defend the entire country with all but five of these considered of dubious value So when raiding German aircraft finally appeared over Britain the response was negligible and ineffective Of Britain's fledgling air forces the Royal Flying Corps had accompanied the British Expeditionary Force into Europe leaving the Royal Naval Air Service to defend the country as best it could That task was not an easy one From the first raid in December 1914 aerial attacks gradually increased through 1915 culminating in highly damaging assaults on London in September and October London however was not the only recipient of German bombs with counties from Northumberland to Kent also experiencing the indiscriminate death and destruction found in this new theater of war the Home Front And when the previously unimagined horror of bombs falling from the sky began the British population was initially left exposed and largely undefended as civilians were killed in the streets or lying asleep in their beds The face of war had changed forever and those raids on London in the autumn of 1915 finally forced the government to pursue a more effective defense against air attack This German air campaign against the UK was the first sustained strategic aerial bombing campaign in history Yet it has become the forgotten Blitz In **Zeppelin Onslaught** Ian Castle tells the complete story of the 1915 raids in unprecedented detail in what is the first in a planned three book series **A catalogue of the collection of works relating to the county of Surrey contained in the Minet public library, compiled by W. Minet and C.J. Courtney. [With]** William Minet, London Minet publ. libr, 1901 *Patriotism and Propaganda in First World War Britain* David Monger, 2012-01-01 A detailed study of the NWAC's activities propaganda and reception It demonstrates the significant role played by the NWAC in British society after July 1917 illuminating the local network of agents and committees which conducted its operations and

the party political motivations behind these Zeppelin Nights Jerry White,2014-05-01 Zeppelin Nights is social history at its best White creates a vivid picture of a city changed forever by war The Times 2018 marks the centenary of the end of the First World War In those four decisive years London was irrevocably changed Soldiers passed through the capital on their way to the front and wounded men were brought back to be treated in London s hospitals At night London plunged into darkness for fear of Zeppelins that raided the city Meanwhile women escaped the drudgery of domestic service to work as munitionettes Full employment put money into the pockets of the poor for the first time Self appointed moral guardians seize the chance to clamp down on drink frivolous entertainment and licentious behaviour Even against a war torn landscape Londoners were determined to get on with their lives firmly resolved not to let Germans or puritans spoil their enjoyment Peopled with patriots and pacifists clergymen and thieves bluestockings and prostitutes Jerry White s magnificent panorama reveals a battle scarred yet dynamic flourishing city Jerry White s name on a title page is a guarantee of a lively compassionate book full of striking incidents and memorable images This is a fast paced social history that never stumbles A well orchestrated polyphony of voices that brings history alive Guardian **A Kingdom United** Catriona Pennell,2012-03-01 In this the first fully documented study of British and Irish popular reactions to the outbreak of the First World War Catriona Pennell explores UK public opinion of the time successfully challenging post war constructions of war enthusiasm in the British case and disengagement in the Irish Drawing from a vast array of contemporary diaries letters journals and newspaper accounts from across the UK **A Kingdom United** explores what people felt and how they acted in response to an unanticipated and unprecedented crisis It is a history of both ordinary people and elite figures in extraordinary times Pennell demonstrates that describing the reactions of over 40 million British and Irish people to the outbreak of war as either enthusiastic in the British case or disengaged in the Irish is over simplified and inadequate Emotional reactions to the war were ambiguous and complex and changed over time By the end of 1914 the populations of England Scotland Wales and Ireland had largely embraced the war but the war had also embraced them and showed no signs of relinquishing its grip The five months from August to December 1914 set the shape of much that was to follow **A Kingdom United** describes and explains the twenty week formative process in order to deepen our understanding of British and Irish entry into war **A Catalogue of the Collection of Works Relating to ... Surrey Contained in the ... Library** Minet Public Library,1901 **Catalogue of the War Office Library** Great Britain. War Office. Library,1913
