Your heels should be touching with your toes turned out. Hold your arms in front of you in an oval shape.

2nd position

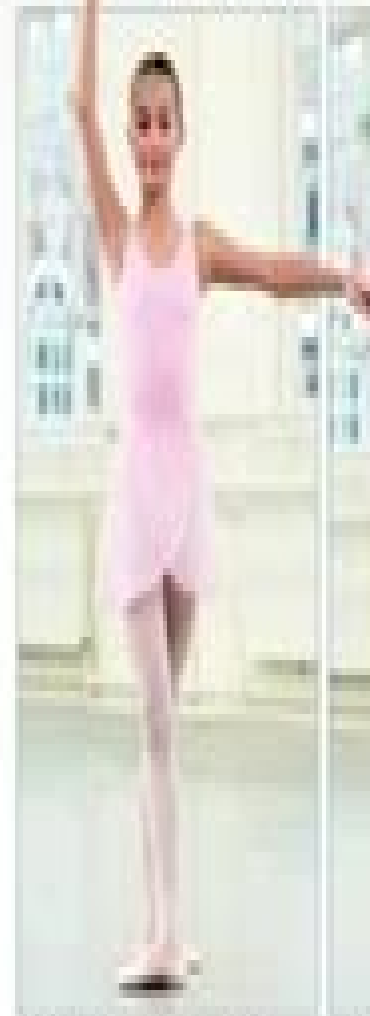

Now move your feet apart. Open your arms wide but don't stretch them back. They should be slightly rounded and slightly in front of you.

3rd position

Cross one foot in front of the other. Bring one arm curved in towards you and the other arm out to the side.

4th position

Put one foot in front of the other with a space between. Raise one arm curved above your head and the other out to the side.

Finally, have one foot exactly in front of the other but this time closed up together. Raise both arms up in a beautiful Indian oval.
