**Chanting the Psalms** Cynthia Bourgeault, 2006-11-14 Chanting the psalms or psalmody is an ancient practice of vital importance in the Christian spiritual tradition Today many think of it as a discipline that belongs only in monasteries but psalmody is a spiritual treasure that is available to anyone who prays You don t need to be musical or a monk to do it and it can be enjoyed in church liturgical worship in groups or even individually as part of a personal rule of prayer Cynthia Bourgeault brings the practice into the twenty first century providing a history of Christian psalmody as well as an appreciation of its place in contemplative practice today And she teaches you how to do it as you chant along with her on the accompanying audio program in which she demonstrates the basic techniques and easy melodies that anyone can learn Even if you can t read music Cynthia says or if somewhere along the way you ve absorbed the message that your voice is no good or you can t sing on pitch I ll still hope to show you that chanting the psalms is accessible to nearly everyone *Centering Prayer for Everyone* Lindsay Boyer, 2020-03-19 Contemplative prayer is a way of saying yes to God s transformative presence Centering Prayer for Everyone is the most welcoming and accessible guide to Christian contemplative practice available Focusing on five practices lectio divina visio divina walking meditation chanting the Psalms and the silent practice of centering prayer this practical guide collects in one volume everything needed to learn these practices including concise instructions readings and programs Clearly formatted so that instructions and programs are easy to find at a glance Centering Prayer for Everyone can inspire beginners to enter the practices immediately and includes detailed instructions for starting and facilitating both in person and digital prayer groups This inclusive handbook explicitly welcomes everyone to these practices whatever their beliefs or doubts including Christians meditators from other traditions twelve step members and anyone filled with longing for spiritual transformation and connection with God *The Biblical Psalms in Christian Worship* John D. Contemplative disciplines such as centering prayer and meditation have been part of Christian life for centuries They seem hard to practice now not simply because our distracted and hyperstimulated age makes them difficult but also because they can appear irrelevant to the needs of a fractured and ugly historical moment Yet these practices are more essential now than ever claims Wendy Farley These practices essentially awaken and attune us to the beauty both of the created order and of human relationships Farley helps readers discover being made for both kinds of beauty with contemplative disciplines immersing us in it Tying these disciplines with contemplation allows us to engage with the struggle for justice in an unjust society **Beguiled by Beauty** includes practical advice for readers to learn several contemplative meditation practices [Path of the Purified Heart](#) Laura Dunham,2012-02-01 [Path of the Purified Heart](#) traces the classic Christian spiritual journey toward transformation into the likeness of Christ in a unique fascinating way Drawing on the voices of wise elders from the past and present Dunham illumines the common path all Christians and spiritual seekers may take toward union with God Through the motifs of the liturgical year and the labyrinth the author weaves in her own journey on this path during her year of purification **Touching God** Brad Tyndall,2014-03 The author takes you on a journey to far reaching corners of the world where he drinks tea with loving Sudanese Muslims prays in ancient Coptic churches and whirls with Sufi dervishes in the desert In seeking the mystical in extraordinary places he discovers that an intimate relationship with God can be found in known religious practices The key is not the practice itself but the role of the mind and the heart With the right intention and contemplative approach the religious practice unveils an attentive and loving God The author draws upon Rumi and Hafez in Islam and Saint Teresa of Avila and Thomas Merton in Christianity and many others to discuss the fundamental principles for embracing the Divine By distilling the basic tenets and practices of Islam and Christianity he finds they both hold similar mystical treasures Learn new and ancient methods for meditation prayer chanting prayer beads and pilgrimages Closely examine the Koran's incredible poetry and beauty and gain insight into how it has brought millions to God Learn about lectio divina the ancient technique of listening to God's personal communication with you through the Bible The author provides

step by step instructions for you to begin to use these mystical tools By the end of the book you ll have taken your own journey into the heart of both Islam and Christianity and found Love      The Meaning of Mary Magdalene Cynthia Bourgeault,2010-09-14 The author of The Wisdom Jesus takes readers on a journey to discover the real Mary Magdalene and finds a powerful ancient model for 21st century spirituality Mary Magdalene is one of the most influential symbols in the history of Christianity yet if you look in the Bible you ll find only a handful of verses that speak of her How did she become such a compelling saint in the face of such paltry evidence In her effort to answer that question Cynthia Bourgeault examines the Bible church tradition art legend and newly discovered texts to see what s there She then applies her own reasoning and intuition informed by the wisdom of the ages old Christian contemplative tradition What emerges is a radical view of Mary Magdalene as Jesus s most important disciple the one he considered to understand his teaching best That teaching was characterized by a nondualistic approach to the world and by a deep understanding of the value of the feminine Cynthia shows how an understanding of Mary Magdalene can revitalize contemporary Christianity how Christians and others can through her find their way to Jesus s original teachings and apply them to their modern lives      **The Holy Trinity and the Law of Three** Cynthia Bourgeault,2013-07-09 Father Son and Holy Spirit In this formula that Christians recite as though on autopilot lie the secrets for healing our world rekindling our visionary imagination and manifesting the Kingdom of Heaven on earth It s an astonishing claim but one that is supported by Cynthia Bourgeault s exploration of Trinitarian theology and by her bold work in further articulating the deep truth it contains She looks to the ancient concept in light of the ideas of G I Gurdjieff and Jacob Boehme to reveal the Trinity as the hidden driveshaft within Christianity the compassionate expression of the Uncreated Reality in creation
