Edwards, 2018-03-29 This volume considers the complex relationships that exist between Christianity rape culture and gender violence Each chapter explores the various roles that Christian theologies teachings and practices have played in shaping contemporary understandings of gender violence and in sanctioning rape supportive cultural belief systems and practices Our contributors explore this topic from a range of disciplinary perspectives including theology gender and queer studies cultural studies pastoral care and counseling Together the chapters in this volume testify to the considerable influence that Christianity has had and continues to have in directing conversations within the Christian tradition around gender violence and rape culture They therefore invite readers to engage fruitfully in these conversations fostering transformative dialogues with the Christian community about our shared responsibility to tackle the current global crisis of gender violence *Captivating Revised and Updated* John Eldredge, Stasi Eldredge, 2011-04-17 What Wild at Heart does for men Captivating does for women Setting their hearts free This groundbreaking book helps readers by Providing a look into the glorious design of women Describing how the feminine heart can be restored Casting a vision for the power freedom and beauty of a woman released to be all she was meant to be Healing the trauma of the past The message of Captivating is this Your heart matters more than anything else in all creation The desires you had as a little girl and the longings you still feel as a woman are telling you of the life God created you to live He offers to come now as the Hero of your story to rescue your heart and release you to live as a fully alive and feminine woman A woman who is truly captivating *The Divine Invitation* Terri Sullivant, 2018-11-06 Are you ready to enter the dance of becoming fully alive Have you ever wondered if we have the God of heaven and earth living inside us why aren't we

experiencing more in life Why aren't we seeing more transformation in ourselves or in others for that matter What does it look like to have Jesus in me anyway as an individual and also as a woman These are the questions life coach and pastor Terri Sullivant was asking herself when God answered her in a profound life changing way The Divine Invitation provides a pathway to find what your heart deeply longs for in every area of life It's a metaphor showing the way for every woman to enter the dance of becoming fully alive Learning this dance is about developing a relationship with Jesus like two people dancing skillfully and gracefully It's about becoming so entwined with the thoughts words emotions and behaviors of Jesus that the two of you are one You find that this deep connection transcends all of life enabling you to live joyfully and freely come what may Captivating Guided Journal Revised Edition John Eldredge, Stasi Eldredge, 2021-03-02 What the Wild at Heart Field Manual did for men the Captivating A Guided Journal can do for women By revealing the three distinctly female desires every woman shares John and Stasi Eldredge invite participants to recover their feminine hearts which may have suffered many wounds but were originally defined in the image of a passionate God **Hating Girls**, 2022-02-22 Hating Girls is a collection of cutting edge essays addressing the pervasive problem of misogyny from an intersectional framework particularly focused on identities of gender race class sexuality and religion Scholars activist reformers and social justice practitioners offer multiple perspectives of the misogyny that dominates our culture providing both macro views as well as case studies in the United States This interdisciplinary analysis exposes the destructive oppressive beliefs and practices inherent in our society and offers a progressive equitable way forward Contributors are Portia Allie Turco Mary Sue Barnett Melissa Brennan Angela Cowser Diane Dougherty Dorislee Gilbert Kristi Gray Tammy Hatfield Sarah E Johansson Sandy Phillips Kirkham Francoise Knox Kazimierczuk Debra Meyers Donna Pollard Meredith Shockley Smith Tara M Tuttle Johanna W H van Wijk Bos and Stephanie A Welsh Beautiful Outlaw John Eldredge, 2025-05-01 A New York Times bestselling author presents Jesus the person in a thought provoking relatable and very human light Reading the Gospels without knowing the personality of Jesus is like watching television with the sound turned off The result is a dry two dimensional person doing strange undecipherable things In Beautiful Outlaw John Eldredge removes the religious varnish to help readers discover stunning new insights into the humanity of Jesus He was accused of breaking the law keeping bad company heavy drinking Of being the devil himself He was so compelling and dangerous they had to kill him But others loved him passionately He had a sense of humor His generosity was scandalous His anger made enemies tremble He'd say the most outrageous things He was definitely not the Jesus of the stained glass In the author's winsome narrative approach he breaks Jesus out of the typical stereotypes just as he set masculinity free in his book Wild at Heart By uncovering the real Jesus readers are welcomed into the rich emotional life of Christ All of the remarkable qualities of Jesus burst like fireworks with color and brilliance because of his humanity Eldredge goes on to show readers how they can experience this Jesus in their lives every day This book will quicken readers worship and deepen their intimacy with Jesus **Valiant or Virtuous?**

Suzanne McCarthy,2019-06-27 This book explores a systematic bias in translating the Bible and in interpreting its teachings which suggests that men are inherently suited to be leaders in the home church and community while it is God's plan for women to submit to men's leadership This erroneous understanding of the Bible has been promoted by certain influential evangelical Christian leaders in order to push back the growing influence of feminist attitudes the expansion of women's leadership roles and the increase in egalitarian relationships among evangelicals in English speaking North America Written in a down to earth engaging way this book will appeal to young women searching the Bible for guidance on women's roles in relationships and in the church It highlights the dynamic roles played by women in the narratives of Old and New Testament and in the work of Bible translation Built on a solid framework of biblical and linguistic scholarship this book will also be of interest to Bible scholars and to anyone seeking a deeper understanding of what the Bible actually says in its original languages

Captivating Study Guide Stasi Eldredge,2021-03-02 In Captivating Stasi Eldredge shows women how God offers to come now as the Hero of their story to rescue their heart and release them to live as fully alive and feminine women

An Invitation to Real Analysis Luis F. Moreno,2015-05-17 An Invitation to Real Analysis is written both as a stepping stone to higher calculus and analysis courses and as foundation for deeper reasoning in applied mathematics This book also provides a broader foundation in real analysis than is typical for future teachers of secondary mathematics In connection with this within the chapters students are pointed to numerous articles from The College Mathematics Journal and The American Mathematical Monthly These articles are inviting in their level of exposition and their wide ranging content Axioms are presented with an emphasis on the distinguishing characteristics that new ones bring culminating with the axioms that define the reals Set theory is another theme found in this book beginning with what students are familiar with from basic calculus This theme runs underneath the rigorous development of functions sequences and series and then ends with a chapter on transfinite cardinal numbers and with chapters on basic point set topology Differentiation and integration are developed with the standard level of rigor but always with the goal of forming a firm foundation for the student who desires to pursue deeper study A historical theme interweaves throughout the book with many quotes and accounts of interest to all readers Over 600 exercises and dozens of figures help the learning process Several topics continued fractions for example are included in the appendices as enrichment material An annotated bibliography is included
