

## Chemistry Cookie Project –Chocolate Chip

- In this lab you will be converting a recipe from moles to standard cooking measurements and then using that recipe to bake some cookies!
- You will need the following tables in order to convert your recipe:

### Molecular Formula Table

Use the following molecular formulas to calculate grams of ingredients.  
NOTE: Most of these substances have extremely complex molecular formulas.  
I have greatly simplified your project by listing a representative formula only.

|                     |                                           |
