David Mamet Glengarry Glen Ross Play Script:

David Mamet's Glengarry Glen Ross Leslie Kane, 1999-11 The twelve original and two classic essays present provocative and timely thinking on Mamet's play and screenplay and offer a dialectic on performance and structure The commentaries take diverse critical approaches to such subjects as feminism pernicious nostalgia ethnicity the mythological land motif the discourse of anxiety gendered language and Mamet's vision of America providing insights and perspectives on the theatricality originality and universality of the work Also includes an interview with Sam Mendes No index Annotation copyright by Book News Inc Portland OR **Script Culture and the American Screenplay** Kevin Alexander

Boon, 2008-01-10 By considering the screenplay as a literary object worthy of critical inquiry this volume breaks new ground in film studies Though the history of the screenplay is as long and rich as the history of film itself critics and scholars have neglected it as a topic of serious research Script Culture and the American Screenplay treats the screenplay as a literary work in its own right presenting analyses of screenplays from a variety of frameworks including feminism Marxism structuralism philosophy and psychology In distancing the text of screenplays from the on screen performance typically associated with them Kevin Alexander Boon expands the scope of film studies into exciting new territory with this volume Script Culture and the American Screenplay is divided into two parts Part 1 provides a general background for screenplay studies tracing the evolution of the screenplay from the early shot lists and continuities of George M. Seldes and Thomas Harper Ince to the more detailed narratives of contemporary works Part 2 offers specific primarily thematic critical examinations of screenplays along with discussions of the original screenplay and the screenplay adaptation In all Boon explains that screenplay criticism distinguishes itself from traditional film studies in three major ways The primary focus of screenplay criticism is on the screenplay rather than the film the focus of screenplay studies is on the screenwriter rather than the director and screenplay criticism like literary criticism is written to illuminate a reader's understanding of the text Boon demonstrates that whether we are concerned with aesthetics and identifying rules for distinguishing the literary from the non literary or whether we align ourselves with more contemporary theories which recognize texts as distinguishable in their inter relationships and marked difference screenplays constitute a rich cache of works worthy of critical examination Film scholars as well as students of film creative writing and literary studies will appreciate this singular volume **The Plays,**

Screenplays and Films of David Mamet Steven Price, 2008-09-09 David Mamet is arguably the most important living American playwright This Guide provides an up to date study of the key criticism on the full range of Mamet's work It engages with his work in film as well as in the theatre offering a synoptic overview of and critical commentary on the scholarly criticism of each play screenplay or film Sensational Movie Monologues Robert Cettl, 2010-12-12 **New York Magazine**, 1984-04-09 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and
