

The background of the slide is a dark blue and black image featuring a complex circuit board layout. Red lines represent the PCB traces, forming various patterns including straight lines, right-angle turns, and dense, parallel serpentine sections. In the upper right corner, a small portion of a yellow and black sine wave is visible. On the left side, there is a faint, semi-transparent overlay of a software interface, likely Altium Designer, showing a hierarchical tree structure with labels like 'Version', 'File', 'Edit', 'View', 'Tools', 'Reports', and 'Help'.
