Setting the World on Fire Shelley Emling,2016-04-05 Emling handles her subject tenderly and respectfully in the process breathing new life into a remarkable figure Austen Ivereigh author The Great Reformer Francis and the Making of a Radical Pope One of only two patron saints of Italy the other being St Francis of Assisi St Catherine was ahead of her time As a political powerhouse in late fourteenth century Europe a time of war social unrest and one of the worst natural disasters of all time the plague she worked for peace between Christians while campaigning for a holy crusade against Muslims She was illiterate but grew into a great writer by dictating to assistants She was frail and punished herself mercilessly often starving herself while offering moral guidance and inspiration to kings queens and popes It s easy to see why feminists through the years have sought to claim the patronage of St Catherine From her refusal to marry to her assertion that her physical appearance was of no importance the famous Saint is ripe for modern interpretation She was a peacemaker during Siena s revolution of 1368 sometimes addressing thousands of people in squares and streets
