Co-Active Leadership, Second Edition Karen Kimsey-House, Henry Kimsey-House, 2021-05-04 As leaders how we are is
as important as what we do The second edition of this leadership classic updated with new chapters shows how to master the
inner and outer work needed to build relationships that unleash the transformational creative potential in everyone We need
to expand beyond top down one dimensional leadership models and find alternatives that are more fluid and inclusive and
that harness the possibility of many rather than relying on the power of one This is exactly what Karen and Henry Kimsey
House provide in this groundbreaking book Co Active Leadership is a deeply collaborative approach which is why the first of
its five dimensions is leading from within self leadership Leaders must be fully present and live lives of integrity
openheartedness and self awareness if they are to make the kind of conscious creative choices Co Active Leadership
demands Each of the remaining four dimensions work together holistically Depending on the situation you may lead from the
front offering guidance and inspiration from behind supporting and encouraging others from beside partnering with and
supporting other members of your team or from the field drawing on insights and wisdom available beyond the rational mind
This edition includes two new chapters one offering new ways to utilize the Co Active Leadership Model and another that
goes deeply into the Co Active philosophy Co Active Leadership celebrates and honors different expressions of leadership It
invites all of us to share our expertise and allows collaborative solutions to emerge that would never have been possible

Co-Active Coaching, Fourth Edition Henry Kimsey-House, 2018 **Co-Active Leadership** Karen Kimsey-House, Henry Kimsey-House, 2015-09-21

Co active Leadership reduces the distinction between leaders and followers and expands the meaning of leadership creating an atmosphere where everyone can develop and exercise a range of leadership skills Top down one dimensional leadership models are hopelessly outmoded in today s rapidly changing world And they waste the leadership ability that is present throughout an organization not just at the top In this visionary book Karen and Henry Kimsey House provide a model that harnesses the possibility of many rather than relying on the power of one They begin with a new definition of leadership itself Leaders are those who are responsible for their world Which of course we all are or should be so everyone is a leader Co active Leadership is a deeply collaborative approach but the first of its five dimensions focuses on the individual leading from within We must be fully present and live lives of integrity openheartedness and self awareness if we are to make the kind of conscious creative choices Co Active Leadership demands Each of the remaining four dimensions work together holistically Depending on the situation you may lead from the front offering guidance and inspiration from behind supporting and encouraging others from beside partnering with and supporting other members of your team or from the field drawing on insights and wisdom available beyond the rational mind Co active Leadership is the only model to celebrate and honor these different expressions of leadership It invites all of us to share our expertise and allows collaborative solutions to emerge that would never have been possible otherwise
