Coaching Portfolio Examples

Gail M. Jensen, Elizabeth Mostrom

Coaching Portfolio Examples:

The Learning Portfolio John Zubizarreta, 2009-03-16 The learning portfolio is a powerful complement to traditional measures of student achievement and a widely diverse method of recording intellectual growth This second edition of this important book offers new samples of print and electronic learning portfolios An academic understanding of and rationale for learning portfolios and practical information that can be customized Offers a review of the value of reflective practice in student learning and how learning portfolios support assessment and collaboration Includes revised sample assignment sheets guidelines criteria evaluation rubrics and other material for developing print and electronic portfolios

Sport Coach Education, Development, and Assessment Liam McCarthy, 2024-08-19 Sport Coach Education Development and Assessment offers a range of coach assessment ideas and practices from leaders in the coach education and development field A combination of theory and practice focused chapters aims to stimulate thoughts dialogue and actions Sport coaches play an increasingly important role in delivering positive outcomes through sport for individuals groups and societies at large It is understandable therefore that attention is increasingly being directed towards how coaches are supported in their roles Perhaps the most dominant support mechanism is large scale coach education programmes These professional development opportunities invite coaches to participate in a learning experience which typically involves exposure to new ideas opportunities to practice and an assessment Much has been said and written about the extent to which these programmes are effective and the degree to which they contribute to coach learning or not These discussions typically reference the learning environment nature of the curriculum and report coaches experiences However lacking in these discussions is any deliberation over coach assessment as a consistent feature of nearly all of these programmes the world over This book reflects a very deliberate attempt to platform and promote the issue of coach assessment This book is designed to offer support and guidance to sport coaches who are engaged in assessment coach educators developers who are delivering assessment activities and programme designers policy architects who are creating learning opportunities for coaches

Practical Guide to the Evaluation of Clinical Competence E-Book Eric S. Holmboe, Steven James Durning, 2023-11-24 Offering a multifaceted practical approach to the complex topic of clinical assessment Practical Guide to the Assessment of Clinical Competence 3rd Edition is designed to help medical educators employ better assessment methods tools and models directly into their training programs World renowned editors and expert contributing authors provide hands on authoritative guidance on outcomes based assessment in clinical education presenting a well organized diverse combination of methods you can implement right away This thoroughly revised edition is a valuable resource for developing implementing and sustaining effective systems for assessing clinical competence in medical school residency and fellowship programs Helps medical educators and administrators answer complex ongoing and critical questions in today s changing medical education system Is this undergraduate or postgraduate medical student prepared and able to move to the next level

of training To be a competent and trusted physician Provides practical suggestions and assessment approaches that can be implemented immediately in your training program tools that can be used to assess and measure clinical performance overviews of key educational theories and strengths and weaknesses of every method Covers assessment techniques frameworks high quality assessment of clinical reasoning and procedural competence psychometrics and practical approaches to feedback Includes expanded coverage of fast moving areas where concepts now have solid research and data that support practical ways to connect judgments of ability to outcomes including work based assessments clinical competency committees milestones and entrustable professional assessments EPAs and direct observation Offers examples of assessment instruments along with suggestions on how you can apply these methods and instruments in your own setting as well as guidelines that apply across the medical education spectrum Includes online access to videos of medical interviewing scenarios and more downloadable assessment tools and detailed faculty guidelines An eBook version is included with purchase The eBook allows you to access all of the text figures and references with the ability to search make notes and highlights and have content read aloud

Portfolio and Programme Management Demystified Geoff Reiss,Paul Rayner,2012-11-12 You re now responsible for a programme or you ve got a portfolio to manage Where do you start Right here Projects are not simply the bread and butter of an organisation Form them into programmes or portfolios and they can be prioritised and integrated to deliver change to your organization in line with your strategic vision You will be able to control costs and risks and bring together a complex series of themes effectively This overhauled second edition now combines portfolio management as a parallel theme with programme management and it is brought in line with the current thinking of the Association for Project Management and the Project Management Institute It is written for managers in both the public and private sectors This new edition includes half a dozen short case studies from Belgium s Fortis Bank a software company local government and central government along with more on cross functional management Together with Project Management Demystified also from Routledge third edition 2007 it provides the tools to manage your projects your programmes and your portfolio to a very high level
