Cocaine Gunplay And Love

Brooklyn Niquell

Cocaine Gunplay And Love:

Cocaine, Gunplay & Love Brooklyn Niquell, 2015-05-31 Damon is just a young hustler trying to make it in the dangerous streets of the southside of Philly Unfortunately someone has made up their mind to end his life and he doesn't know who With three baby mamas who Damon suspects may be working with his enemies he doesn't know who to trust But although Damon wants to keep his mind on business getting money and revenge on whoever is after him he is distracted when a beautiful woman he calls Summer comes into the picture One day in the park Damon meets Summer's daughter who tells him her mama always told her that he was supposed to be her daddy When he sees her mother it takes everything in him to not agree immediately Summer becomes everything that Damon needs but there is only one problem he has enemies in the street who want to end his life and hers too Damon won't stop at anything to keep his new family safe even if it means bodying one enemy at a time Growing up as a killer thug was the easy part of the street life and cocaine wars But when it comes to protecting the ones he loves Damon realizes he can't do it without a little gunplay **It's a London thing** Caspar

Melville, 2019-11-21 This book is a record of the Black music culture that emerged in post colonial London at the end of the twentieth century the people who made it the racial and spatial politics of its development and change and the part it played in founding London's precious embattled multiculturalism It tells the story of the linked Black musical scenes of the city from ska reggae and soul in the 1970s to rare groove and rave in the 1980s and jungle and its offshoots in the 1990s to dubstep and grime of the 2000s Melville argues that these demonstrate enough common features to be thought of as one musical culture an Afro diasporic continuum Core to this idea is that this dance culture has been ignored in history and cultural theory and that it should be thought of as a powerful and internationally significant form of popular art **Gunplay** Frank Higgins, 2001

Pro Gun or anti gun **Gunplay & LeTavia 2** Leo Sullivan, Porscha Sterling, 2017-03-01 This love story is not for the faint of heart After a series of events no one saw coming Gunplay decided to keep his distance from LeTavia to keep her life from spiraling even more out of control than it had since the day he'd placed himself into it However the time has come for him to get her back and he's determined to have her as the lady by his side LeTavia is on her way home from a difficult trip to the clinic her first step to wash away her past when she sees Gunplay for the first time in months looking even more irresistible than ever before He's the same old Gunplay the roughest kind of thug but there is something else The savage in him is even wilder than ever before as he struggles to fulfill his need to conquer New York at all costs Can they put the past behind them and move on to be the couple they once were Gunplay is a hustler in every sense of the word and that fact has only grown over the last few months since he's been away With Cutta in prison he puts in place his plan to dominate the entire city of New York but the more he pushes on it seems to him that he's greatly underestimated his opponent In the midst of dealing with the war he's waging in the streets he's also dealing with learning to control his ruthless ways So used to shooting first and asking no questions at all his mental stability is put to the test Will LeTavia's confession about what happened between

she and Cutta push him over the edge Love and loyalty These are both things that Gunplay LeTavia crave But can love and loyalty be intertwined peacefully and last amid the dark evils of street life Halfway to Paradise Tony Orlando,Patsi Bale Cox,2003-11-08 He s known the world over for his heyday with Dawn but that glittering 1970 s whirl was just one chapter in Tony Orlando s rich life Orlando began his showbiz career as a teen heartthrob with the single Halfway to Paradise and had a second successful act as a record company A R man before he was lured back into the limelight as a performer Fans from the 1960s to the present day have loved his voice his stage presence and his hits like Knock Three Times and Tie a Yellow Ribbon Round the Old Oak Tree Now Tony has written an autobiography as warm and heartfelt as his songs Halfway to Paradise is rich with stories from the music world from doo wop to the disco era from early recording with Gerry Goffin and Carole King to recent concerts in Branson Missouri and across the United States It s also full of behind the scenes detail of how it felt to be at the top of the entertainment heap with his 1 rated CBS show Tony s life in front of and behind the camera was grand but sometimes not all it seemed Orlando succumbed to one of the familiar antidotes to the pressures of a big life drug use with its predictable toll on family and friendships And even as his career was soaring he was unable to save his best friend Freddie Prinze from a fatal downward spiral With a return to roots and to the close knit family that has always sustained him Tony restored the order and creativity that have allowed him to thrive through four decades of exuberant entertaining

Halfway to Paradise is a wise funny and spirited life story and a must read memoir for fans **The Artificial Southerner** Philip Martin,2001-01-01 The Artificial Southerner tracks the manifestations and ramifications of Southern identity the relationship among a self conscious invented regionalism the real distinctiveness of Southern culture and the influence of the South in America In these essays columnist Philip Martin explores the region and those who have both fled and embraced it He offers lyric portraits of Southerners real imagined and absentee musicians James Brown the Rolling Stones Johnny Cash writers Richard Ford Eudora Welty politicians Bill Clinton Jimmy Carter He also considers such topics as the architecture of E Fay Jones the biracial nature of country music and the idea of white trash Every American has a South within he says a conquered territory an old wound a scar His work meditates on the rock and roll the literature the life and the love which proceed from that inner self created South

On Drugs David Lenson,Jeff Land,1999-03-01 It has been more than twenty years since President Nixon declared the War on Drugs In On Drugs David Lenson delivers a scathing indictment of this war as an effort based like all attempts to eradicate getting high on an incomplete understanding of human nature From lotus eaters to hippies to crackheads he contends history has shown the state s inability to legislate the bloodstreams of its citizens Lenson ventures beyond conventional genres to view the drug debate from the largely forgotten perspective of those who use drugs In successfully walking the fine line between the antidrug hysteria of the 1980s and an advocacy of drug use Lenson shatters the ban on debate regarding drugs enforced in the Just Say No campaign and reveals the myriad ways straight society demonizes the drug user After considering several specific issues associated with drug use including sex violence and

money Lenson concludes with his vision of the end of the Drug War by questioning the sense in condemning millions of Americans to lives of concealment and deceit

Born a Sufferah Quito J. Swan, 2025-02-20 This book evaluates modern Black internationalism through the sonic insurgencies of Reggae and Dancehall Born as a sufferer in the 1970s Dancehall is often framed by its lyrics of hyper masculinity This has distorted its intertwined engagement with the politics of its older sibling Reggae largely Rastafari's critique of the West as being of a Biblical Babylon Both strains grappled with questions of a decolonizing and migrating Caribbean hard times concrete ecologies and promised lands But if Reggae's radical soundings of Black liberation repatriated East beyond Babylon's rivers then to what extent did Dancehall imagine Zion amidst the contradictions of the gully sided West In the global 1990s Reggae and Dancehall sound systems curated sites of Black cultural insurgency across the world Stretching beyond the bombastic business of moving crowds with music they were amplifiers and receivers of Caribbean political epistemologies In the dancehall these cultural innovators remixed Western modernities and compressed timelines of Black radicalism fashioning myriad sound driven Zions to move against the traffic blocking of Babylon's street sweepers and lookout fetishes Their frequencies of subaltern clap back thrived in night clubs nyabinghis and favelas where subversive musical practices were documented on dubplates and globally distributed on cassettes An expansive grassroots audio archive of Black insurgency sound system culture was a radically complex space of Ubuntu place making sonic cartography and Black internationalism

Keisha & Trigga Reloaded Leo Sullivan, Porscha Sterling, 2016-10-25 In this tale of everlasting love and dangerous streets Keisha murder mayhem and bloodshed Then something far worse than either of them could have ever fathomed comes about when a ruthless killer from their past suddenly appears with a debt to settle After a deadly shootout at his club Trigga receives a threat that he needs to come up with 2 million in two weeks or his family will be killed Money that he doesn't have With this threat looming Trigga turns back into the man of his past who haunted the NYC streets a man Keisha can no longer tolerate Then tragedy strikes in the worst way when their marriage is put to the ultimate test with the entrance of the sexy temptress Lania With their life crumbling to pieces around them will Keisha Trigga be able to hold onto the love they fought so hard for

Every Little Thing Gonna Be Alright Hank Bordowitz, 2009-03-04 Throughout Africa the Caribbean Europe and America Bob Marley represents far more than just the musician who translated spiritual and political beliefs into hypnotic hard hitting songs such as Get Up Stand Up No Woman No Cry and Jammin Marley was born in rural Jamaica and reared in the mean streets of Kingston's Trenchtown his ascent to worldwide acclaim first with The Wailers Peter Tosh and Bunny Livingstone and later as a solo artist is a riveting story of the spiritual awakening of a uniquely talented individual Now for the first time a symphony of voices has joined together to offer perspective on one of this century's most compelling figures Dealing with Bob Marley as a man and myth from his rude boy teens to international fame and his tragic death at the age of thirty six Every Little Thing Gonna Be Alright then explores the larger picture examining Marley as the spokesman for Jamaica's homegrown religion of

Rastafarianism as a flash point for the pressure cooker of Jamaican politics and his unique status as the first pop musical superstar of the so called Third World
