Andrew F. Smith

Cocktail Boothbys American Bartender The New Anchor Distilling Edition:

Food and Drink in American History Andrew F. Smith, 2013-10-28 This three volume encyclopedia on the history of American food and beverages serves as an ideal companion resource for social studies and American history courses covering topics ranging from early American Indian foods to mandatory nutrition information at fast food restaurants The expression you are what you eat certainly applies to Americans not just in terms of our physical health but also in the myriad ways that our taste preferences eating habits and food culture are intrinsically tied to our society and history This standout reference work comprises two volumes containing more than 600 alphabetically arranged historical entries on American foods and beverages as well as dozens of historical recipes for traditional American foods and a third volume of more than 120 primary source documents Never before has there been a reference work that coalesces this diverse range of information into a single set The entries in this set provide information that will transform any American history research project into an engaging learning experience Examples include explanations of how tuna fish became a staple food product for Americans how the canning industry emerged from the Civil War the difference between Americans and people of other countries in terms of what percentage of their income is spent on food and beverages and how taxation on beverages like tea rum and whisky set off important political rebellions in U S history *The Golden Elixir of the West* Sherry Monahan, Jane Perkins, 2017-10-02 An insider's look at the iconic drink and its role in shaping the American West Distilleries are the new microbreweries cropping up all over the West and producing brands that emulate the predecessors that were made in copper stills by emigrants and served in saloons and dance halls This history of the spirit and its origins and migration across the country and its place in shaping the West celebrates the story of the golden elixir through first hand accounts evocative photographs and historic cocktail recipes **The Oxford Companion to Spirits and Cocktails** Noah

Rothbaum, 2021-10-14 The Oxford Companion to Spirits and Cocktails presents an in depth exploration of the world of spirits and cocktails in a ground breaking synthesis The Companion covers drinks processes and techniques around the world as well as those in the US and Europe It provides clear explanations of the different ways that spirits are produced including fermentation distillation and ageing alongside a wealth of new detail on the emergence of cocktails and cocktail bars including entries on key cocktails and influential mixologists and cocktail bars

Drinking History Andrew F. Smith, 2014-06-10 A companion to Andrew F Smith's critically acclaimed and popular *Eating History* Thirty Turning Points in the Making of American Cuisine this volume recounts the individuals ingredients corporations controversies and myriad events responsible for America's diverse and complex beverage scene Smith revisits the country's major historical moments colonization the American Revolution the Whiskey Rebellion the temperance movement Prohibition and its repeal and he tracks the growth of the American beverage industry throughout the world The result is an intoxicating encounter with an often overlooked aspect of American culture and global influence Americans have invented adopted modified and

commercialized tens of thousands of beverages whether alcoholic or nonalcoholic carbonated or caffeinated warm or frozen watery or thick spicy or sweet These include uncommon cocktails varieties of coffee and milk and such iconic creations as Welch's Grape Juice Coca Cola root beer and Kool Aid Involved in their creation and promotion were entrepreneurs and environmentalists bartenders and bottlers politicians and lobbyists organized and unorganized criminals teetotalers and drunks German and Italian immigrants savvy advertisers and gullible consumers prohibitionists and medical professionals and everyday Americans in love with their brew Smith weaves a wild history full of surprising stories and explanations for such classic slogans as taxation with and without representation the lips that touch wine will never touch mine and rum Romanism and rebellion He reintroduces readers to Samuel Adams Thomas Jefferson George Washington and the colorful John Chapman Johnny Appleseed and he rediscovers America's vast literary and cultural engagement with beverages and their relationship to politics identity and health
