Herzog,Martha Weser,Columbia University,2014-11-14 E Pluribus Unum:Liber Amicorum Georges A.L. Droz - on the Progressive Unification of Private International Law Georges Droz,Alegría Borrás,Andreas Bucher,Michel Verwilghen,Teun Struycken,1996-06-07 The unification of Private International Law is a goal to which all the contributors to this impressive volume have committed themselves and one which seems increasingly to attract the attention of legal practitioners researchers writers and legislators The essays give a unique overview of the current state of the law with respect to those areas which have been unified or which are susceptible to unification Insights are given into national as well as international practice and theoretical aspects have not been neglected Private International Law Symeon C. Symeonides,2021-11-08 This book compares the two golden ages of private international law PIL the first is the era of Story and Savigny in the nineteenth century while the second comprises the last fifty years The period between 1970 and 2020 has been one of rapid changes and dense legislative responses exemplified by the adoption of over one hundred national PIL codifications and almost as many international or regional conventions and regulations These instruments provide a rich source for this book s incisive and instructive comparisons and a fertile ground for a reliable assessment of the progress of PIL as a discipline This book skillfully uncovers and meticulously documents the gradual and largely unnoticed transition of PIL from the idealism of the nineteenth century to the pragmatic eclecticism and pluralism of the twenty first century *Recueil Des Cours, Collected Courses 1938* Academie De Droit International De La Ha,1981-08-01 The Academy is a prestigious international institution for the study and teaching of Public and Private International Law and related subjects The work of the Hague Academy receives the support and recognition of the UN Its purpose is to encourage a thorough and impartial examination of the problems arising from international relations in the field of law The courses deal with the theoretical and practical aspects of the subject including legislation and case law All courses at the Academy are in principle published in the language in which they were delivered in the Collected Courses of the Hague Academy of International Law Recueil Des Cours, Collected Courses, 1982 ,1983-09-14 The Academy is a prestigious international institution for the study and teaching
