Cogic Ministers Manual:

The Ministry of the Elder Roderick L. Evans, In this publication we will discuss the ministry of the C O G I C Elder It is our endeavor to help those entering ministry having supplemental support as they navigate the execution of their ministries In addition we will provide basic protocols for the Elder s purpose and function **Divine Callings** Richard N. Pitt,2012-02 One of the unique aspects of the religious profession is the high percentage of those who claim to be called by God to do their work This call is particularly important within African American Christian traditions Divine Callings offers a rare sociological examination of this markedly understudied phenomenon within black ministry Richard N Pitt draws on over 100 in depth interviews with Black Pentecostal ministers in the Church of God in Christ both those ordained and licensed and those aspiring to examine how these men and women experience and pursue the call Viewing divine calling as much as a social process as it is a spiritual one Pitt delves into the personal stories of these individuals to explore their work as active agents in the process of fulfilling their calling In some cases those called cannot find pastoral work due to gender discrimination lack of clergy positions and educational deficiencies Pitt looks specifically at how those who have not obtained clergy positions understand their call exploring the influences of psychological experience the congregational acceptance of their call and their response to the training process He emphasizes how those called reconceptualize clericalism in terms of who can be called how that call has to be certified and what those called are meant to do offering insight into how social actors adjust to structural constraints **Christian Minister's Manual—Updated and Expanded Deluxe Edition** Guthrie Veech,2017-04-03 Updated and expanded with 32 pages of additional content designed to meet the growing demands of busy ministers the Christian Minister s Manual is an essential tool for ministers This essential tool for ministers features Scripture readings sermons outlines and practical tips for Worship services Weddings Funerals Ordinations Communion meditations Baptisms Dedications Hospital visitation Evangelism and much more **With Signs Following** Raynard D. Smith,2015-12-01 Born to ex slaves in Reconstruction era Tennessee Bishop Charles Harrison Mason had a vision for the Church of God in Christ COGIC that thrives today in an international Pentecostal church with more than five million members With Signs Following The Life and Ministry of Charles Harrison Mason examines the social cultural and religious aspects of Bishop Mason s leadership and creative genius in establishing COGIC as a distinct Black Church tradition With Signs Following shares four decades of research from leading scholars that addresses the sociological theological psychological social ethical and historical perspectives of COGIC and Mason s ministry Contributors Christopher Brennan Ithiel Clemmons David D Daniels III Glenda Williams Goodson Robert R Owens Craig Scandrett Leatherman Raynard D Smith Frederick L Ware **Ministers Manual (Doran's)** James William Cox,1985 **The Azusa Street Revival and Its Legacy** Harold D. Hunter,Cecil M. Robeck,2009-11-01 In 1906 at 312 Azusa Street in Los Angeles a revival began that set in motion a global movement that has affected half a billion people In The Azusa Street Revival and Its Legacy twenty writers representing the international

scholarship of the Pentecostal Charismatic and Renewal communities reflect on the significance of the movement now and for the future

Women in the Church of God in Christ Anthea Butler, 2012-01-01 The Church of God in Christ COGIC an African American Pentecostal denomination founded in 1896 has become the largest Pentecostal denomination in the United States today In this first major study of the church Anthea Butler examines the religious and social lives of the women in the COGIC Women s Department from its founding in 1911 through the mid 1960s She finds that the sanctification or spiritual purity that these women sought earned them social power both in the church and in the black community Offering rich lively accounts of the activities of the Women s Department founders and other members Butler shows that the COGIC women of the early decades were able to challenge gender roles and to transcend the limited responsibilities that otherwise would have been assigned to them both by churchmen and by white dominated society The Great Depression World War II and the civil rights movement brought increased social and political involvement and the Women s Department worked to make the sanctified world of the church interact with the broader American society More than just a community of church mothers says Butler COGIC women utilized their spiritual authority power and agency to further their contestation and negotiation of gender roles in the church and beyond

Sanctified Imagination Ivan L. Hartsfield, 2023-07-14 The first of its kind this seminal work charts the unlikely theological quest for Christian holiness by founder Charles Harrison Mason and the Wesleyan Holiness Pentecostal tradition known as the Church of God in Christ COGIC the largest Pentecostal denomination in the United States Through fresh research and critical analysis this book challenges existing assumptions by scholars and reveals how little known black renewal movements informed Mason s theological understanding and that of the movement The rich theological resources of this historically marginalized movement are not primarily accessible in academic journals position papers or theological treatises Instead these resources function as lived religion where the theological presuppositions are embedded in primitive worship ecstatic religious practices and countercultural distinctives By unpacking the lived religion of this self professed sanctified church this book explores how sanctification and the practice of Christian holiness shaped and empowered the COGIC its people and its practices in creative and profound ways resulting in a radical holiness ethic that emerged from an inexhaustible exilic vitality with personal social and political implications Given the challenge of Christian nationalism today this book provides a framework that informs Christian identity and faithful living for the broader Christian community

A Plea for British Black Theologies, Volume 2 Roswith I. H. Gerloff, 2010-11-01 This volume is the appendix to volume one and includes notes bibliographies and related materials Since the Second World War more than 1 000 black independent congregations in around 300 different organizations have sprung up all over Britain The immigration of Afro Caribbeans and West Africans has led to the emergence and growth of many churches which flourish in the cities and attract a growing number of members They now play an increasingly active role in the social and ecumenical life of the nation which is reflected in cooperation with the New Instrument of the British churches They comprise a rich

diversity of theological traditions and cultural inheritance some in an interesting blend some in a struggle with white elements Existence and growth of these communities have often been explained by factors inherent in British society such as social deprivation and English racism The book attempts to prove that as much these factors are a reality they do not account for the dynamics of the movement its proliferation and stability Rather these congregations are carried by strong cultural and theological forces which molded the spiritual experience of the African diaspora They carry a living faith sound contextual theologies and a form of organization which presents a model for other ethnic minorities
