The Panzer Killers Daniel P. Bolger,2022-05-03 A general turned historian reveals the remarkable battlefield heroics of Major General Maurice Rose the World War II tank commander whose 3rd Armored Division struck fear into the hearts of Hitler s panzer crews The Panzer Killers is a great book vividly written and shrewdly observed The Wall Street Journal Two months after D Day the Allies found themselves in a stalemate in Normandy having suffered enormous casualties attempting to push through hedgerow country Troops were spent and American tankers lacking the tactics and leadership to deal with the terrain were losing their spirit General George Patton and the other top U S commanders needed an officer who knew how to break the impasse and roll over the Germans they needed one man with the grit and the vision to take the war all the way to the Rhine Patton and his peers selected Maurice Rose The son of a rabbi Rose never discussed his Jewish heritage But his ferocity on the battlefield reflected an inner flame He led his 3rd Armored Division not from a command post but from the first vehicle in formation charging headfirst into a fight He devised innovative tactics made the most of American weapons and personally chose the cadre of young officers who drove his division forward From Normandy to the West Wall from the Battle of the Bulge to the final charge across Germany Maurice Rose s deadly division of tanks blasted through enemy lines and pursued the enemy with a remarkable intensity In The Panzer Killers Daniel P Bolger a retired lieutenant general and Iraq War veteran offers up a lively dramatic tale of Rose s heroism Along the way Bolger infuses the narrative with fascinating insights that could only come from an author who has commanded tank forces in combat The result is a unique and masterful story of battlefield leadership destined to become a classic Lions in the Street James Schneider,2009-08-21 Lions in the Street is a compilation of poems short stories on education letters to the editor unfinished novels children stories and political and historical essays by the late James Schneider The writings presented in this book are a compilation on a wide range of topics with an underlying thread of a love for family and children a desire to improve the society in which we live and need to present an alternative point of view close to that of the common man which has been all but ignored in the mainstream media The Texas 36th Division — A History Bruce Brager,2023-05-29 Here is an encompassing and insightful history of the distinguished 36th Division which traces back to the 1870s and officially formed for World War I In the Second World War the 36th led the first contested Allied landing in Europe and gave the Fifth Army the key to Rome Readers interested in early Texas and Western history the Civil War Reconstruction the world wars and the continuing debate over the best structure for the American military will enjoy this exciting adventure story The 36th Division was formed in 1917 just after the United States entered World War I The division s documented ancestors in the Texas National Guard the Texas

Volunteer Guard and the Texas militia trace back to the 1870s The tradition in which the 36th played so great a part even predates the 1836 defense of the Alamo This history explores the division s origins and also goes over there with the 36th for combat in World War I chronicles the division in state National Guard service between the world wars and witnesses its federalization in 1940 followed by combat training in 1940 1942 and combat action in Italy and France during the Second World War

Frontline General: Douglas MacArthur Jules Archer,2017-01-10 At twenty six Douglas MacArthur was military aide to President Theodore Roosevelt and his courageous leadership of the Rainbow Division in World War I made him a general At the same time his reluctance to heed any authority but his own gained him a reputation of arrogance and insubordination that was to shadow his entire career As MacArthur helped guide defeated Japan to democracy it was remarked that he himself tolerated no democratic questioning of his commands When he was summoned from Japan to take command of the desperately beleaguered forces in Korea the conflict between duty and pride brought his career to a dramatic conclusion With brilliant generalship he saved his army from defeat only to be removed from his post when he refused to obey the president himself Douglas MacArthur s deeds were of heroic proportion but he is and will continue to be one of America s most controversial figures

Forgotten War Brian E. Walter,2023-12-31 A new assessment of the British and Commonwealth contribution to the defeat of Japan in the Pacific The monumental struggle fought against Imperial Japan in the Asia Pacific theater during World War II is primarily viewed as an American affair While the United States did play a dominant role the British and Commonwealth forces also made major contributions on land at sea and in the air eventually involving over a million men and vast armadas of ships and aircraft It was a difficult and often desperate conflict fought against a skilled and ruthless enemy that initially saw the British suffer the worst series of defeats ever to befall their armed forces Still the British persevered and slowly turned the tables on their Japanese antagonists Fighting over an immense area that stretched from India in the west to the Solomon Islands in the east and Australia in the south to the waters off Japan in the north British and Commonwealth forces eventually scored a string of stirring victories that avenged their earlier defeats and helped facilitate the demise of the Japanese Empire Often overlooked by history this substantial war effort is fully explored in *Forgotten War* Meticulously researched the book provides a complete balanced and detailed account of the role that British and Commonwealth forces played on land sea and in the air during this crucial struggle It also provides unique analysis regarding the effectiveness and relevance of this collective effort and the contributions it made to the overall Allied victory

Ghost 6 and the Bright Blue Blade Jonathan Tomes,2023-02-09 When a nurse asked John if he could have one wish he had just watched TV news depicting ISIS beheading Christians so he answered Bring me back as an infantry platoon leader to go fight ISIS He wakes up parachuting into Syria in combat gear but quickly learns he forgot to say male infantry platoon leader now that the president has opened combat positions to women In the ensuing battle she is wounded but is recommended for the Medal of Honor Upon being discharged from Walter Reed the president orders her to remain in DC so

that he can show her off as proof that he was right in his decision How does she go to the State of the Union Address when she doesn't know how to put on makeup or pantyhose But after some comic misadventures she figures it out But then she must go to a White House dinner in honor of Prime Minister Netanyahu She is assigned Major Michael David as her escort as she hardly has a significant other Strange things happen when she is with him that makes her wonder whether he is the Archangel Michael which he denies The Army wants to reclassify unfit for combat so she accepts the prime minister's offer to make her an Israeli soldier During a combat jump with the IDF her chute doesn't open but two arms enfold her and lower her to the ground Major Michael was along as an observer She's convinced he unfolded his wings to save her but he says he had a maneuverable parachute that let him catch her Although unconvinced it is the least of her problems He proposes to her Can she marry a man when something is left of the male brain in her Much less marry an archangel **Eisenhower** Jim Newton, 2012-10-02 Newly discovered and declassified documents make for a surprising and revealing portrait of the president we thought we knew America's thirty-fourth president was belittled by his critics as the babysitter in chief This new look reveals how wrong they were Dwight Eisenhower was bequeathed the atomic bomb and refused to use it He ground down Joseph McCarthy and McCarthyism until both became as he said McCarthywasm He stimulated the economy to lift it from recession built an interstate highway system turned an 8 billion deficit in 1953 into a 500 million surplus in 1960 Ike was the last President until Bill Clinton to leave his country in the black The President Eisenhower of popular imagination is a benign figure armed with a putter a winning smile and little else The Eisenhower of veteran journalist Jim Newton's rendering is shrewd sentimental and tempestuous He mourned the death of his first son and doted on his grandchildren but could one aide recalled peel the varnish off a desk with his temper Mocked as shallow and inarticulate he was in fact a meticulous manager Admired as a general he was a champion of peace In Korea and Vietnam in Quemoy and Berlin his generals urged him to wage nuclear war Time and again he considered the idea and rejected it And it was Eisenhower who appointed the liberal justices Earl Warren and William Brennan and who then called in the military to enforce desegregation in the schools Rare interviews newly discovered records and fresh insights undergird this gripping and timely narrative
