Routledge Handbook of Post Classical and Contemporary Persian Literature Kamran Talattof, 2023-06-05

Routledge Handbook of Post Classical and Contemporary Persian Literature contains scholarly essays and sample texts related to Persian literature from the 17th century to the present day. It includes analyses of free verse poetry, short stories, novels, prison writings, memoirs, and plays. The chapters apply a disciplinary or interdisciplinary approach to the many movements, genres, and works of the long and evolving body of Persian literature produced in the Persianate World. These collections of scholarly essays and samples of Persian literary texts provide facts, general information, instructions, ways to understand, analyze, and appreciate this body of works and the field's state of the art research, the problematics of the topics regarding one of the most important and oldest literary traditions in the world. Thus, the Handbook's chapters and related texts provide scholars, students, and admirers of Persian poetry and prose with practical and direct access to the intricacies of the Persian literary world through a chronological account of key moments in the formation of this enduring literary tradition. The related Handbook also edited by Kamran Talattof, *Routledge Handbook of Ancient Classical and Late Classical Persian Literature*, covers Persian literary works from the ancient or pre-Islamic era to roughly the end of the 16th century.

Writing Horror Fiction Guy N. Smith, 2005-11 **The Novel as Network** Tim Lanzendörfer, Corinna

Norrick-Rühl, 2020-09-23 *The Novel as Network: Forms, Ideas, Commodities* engages with the contemporary Anglophone novel and its derivatives and by products such as graphic novels, comics, podcasts, and Quality TV. This collection investigates the meaning of the novel in the larger system of contemporary media production and post-print culture, viewing the novel through the lens of actor-network theory as a node in the novel network. Chapters underscore the deep interconnection between all the aspects of the novel: between the novel as a literary form, as an idea, and as a commodity. Bringing together experts from American, British, and Postcolonial Studies, as well as Book Publishing and Media Studies, this collection offers a new vantage point to view the novel in its multifaceted expressions today.

Contemporary Fictions of Attention Alice Bennett, 2018-08-09 With the supposed shortening of our attention spans, what future is there for fiction in the age of the internet? *Contemporary Fictions of Attention* rejects this discourse of distraction crisis, which suggests that the future of reading is in peril, and instead finds that contemporary writers construct fictions of attention that find some value in states or moments of inattention. Through discussion of work by a diverse selection of writers including Joshua Cohen, Ben Lerner, Tom McCarthy, Ali Smith, Zadie Smith, and David Foster Wallace, this book identifies how fiction prompts readers to become peripherally aware of their own attention. *Contemporary Fictions of Attention* locates a common interest in attention within 21st-century fiction and connects this interest to a series of debates surrounding ethics, temporality, the everyday, boredom, work, and self-discipline in contemporary culture.

Maximum Movies--pulp Fictions Peter Stanfield, 2011 In the words of Richard Maltby *Maximum Movies Pulp Fictions* describes two improbably imbricated worlds and the piece of cultural history their intersections provoked One of these worlds comprises a clutch of noisy garish pulp movies *Kiss Me Deadly Shock Corridor Fixed Bayonets I Walked with a Zombie The Lineup Terror in a Texas Town Ride Lonesome* pumped out for the

grind houses at the end of the urban exhibition chain by the studios B divisions and fly by night independents The other is occupied by critics intellectuals cinephiles and filmmakers such as Jean Luc Godard Manny Farber and Lawrence Alloway who championed the cause of these movies and incited the cultural guardians of the day by attacking a rigorously policed canon of tasteful rarified and ossified art objects Against the legitimate and in defense of the illegitimate in an insolent and unruly manner they agitated for the recognition of lurid sensational crime stories war pictures fast paced Westerns thrillers and gangster melodramas were claimed as examples of the true the real and the authentic in contemporary culture the foundation upon which modern film studies sits

The Cinema of Raúl Ruiz Michael Goddard, 2013-09-22 Raúl Ruiz while considered one of the world's most significant filmmakers by several film critics is yet to be the subject of any thorough engagement with his work in English This volume sets out on this task by mapping as fully as possible Ruiz's cinematic trajectory across more than five decades of prolific work up to his death in 2011 ranging from his earliest work in Chile to high budget European costume dramas culminating in *Mysteries of Lisbon* 2010 It does so by treating Ruiz's work with its surrealist magic realist popular cultural and neo Baroque sources as a type of impossible cinematic cartography mapping real imaginary and virtual spaces and crossing between different cultural contexts aesthetic strategies and technical media It argues that across the different phases of Ruiz's work identified there are key continuities such as the invention of singular cinematic images and the interrogation of their possible and impossible combinations
