The English-Speaking Brotherhood and the League of Nations (Classic Reprint) Charles Walston, 2019-02-07
Excerpt from The English Speaking Brotherhood and the League of Nations I should again like to publish here two letters from personal friends whom I consider to have been at that time the most representative of the two broadly differing if not opposed conceptions of America's position in the foreign affairs of the world John Hay and Charles Eliot Norton About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com
This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Street Haunting and Other Essays Virginia Woolf, 2014-10-02 Virginia Woolf began writing reviews for the Guardian to make a few pence from her father's death in 1904 and continued until the last decade of her life The result is a phenomenal collection of articles of which this selection offers a fascinating glimpse which display the gifts of a dazzling social and literary critic as well as the development of a brilliant and influential novelist From reflections on class and education to slyly ironic reviews musings on the lives of great men and Street Haunting a superlative tour of her London neighbourhood this is Woolf at her most thoughtful and entertaining *Virago Reprints and Modern Classics* D-M Withers, 2021-05-20 Reprinting republishing and re-covering old books in new clothes is an established publishing practice How are books that have fallen out of taste and favour resituated by publishers and recognised by readers as relevant and timely This Element outlines three historical textures within British culture of the late 1970s and early 1980s History Remembrance and Heritage that enabled Virago's reprint publishing to become a commercial and cultural success With detailed archival case studies of the Virago Reprint Library Testament of Youth and the Virago Modern Classics it elaborates how reprints were profitable for the publisher and moved Virago's books and the Virago brand name from the periphery of culture to the centre Throughout Virago's reprint publishing and especially with the Modern Classics the epistemic revelation that women writers were forgotten and could therefore be rediscovered was repeated again and again and made culturally productive through the marketplace

The Politics of Sex and Other Essays R. Grant, 2000-04-21 These essays cover topics as radically diverse as Charles Rennie Mackintosh Vladimir Havel The Magic Flute and Viz magazine All have been published before and many have already proved controversial The author a leading Oakeshott scholar contributes frequently to the TLS Witty moving and erudite his prose is also conspicuously graceful and clear This collection is addressed as much to the educated general reader as to the academic specialist It includes an otherwise almost unobtainable exchange with Sir Isaiah Berlin

The Ashgate Research Companion to Popular

Musicology Derek B. Scott, 2016-03-23 The research presented in this volume is very recent and the general approach is that of rethinking popular musicology its purpose its aims and its methods Contributors to the volume were asked to write something original and at the same time to provide an instructive example of a particular way of working and thinking The essays have been written with a view to helping graduate students with research methodology and the application of relevant theoretical models The team of contributors is an exceptionally strong one it contains many of the pre eminent academic figures involved in popular musicological research and there is a spread of European American Asian and Australasian scholars The volume covers seven main themes Film Video and Multimedia Technology and Studio Production Gender and Sexuality Identity and Ethnicity Performance and Gesture Reception and Scenes and The Music Industry and Globalization The Ashgate Research Companion is designed to offer scholars and graduate students a comprehensive and authoritative state of the art review of current research in a particular area The companion s editor brings together a team of respected and experienced experts to write chapters on the key issues in their speciality providing a comprehensive reference to the field

Focus On: 100 Most Popular American Agnostics Wikipedia contributors, *Religious Resistance to Neoliberalism* Keri Day, 2016-04-29 Religious Resistance to Neoliberalism offers compelling and intersectional religious critiques of neoliberalism Neoliberalism is the normative rationality of contemporary global capitalism that orders people to live by the generalized principle of competition in all social spheres of life Keri Day asserts that neoliberalism and its moral orientations consequently breed radical distrust lovelessness disconnection and alienation within society She argues that engaging black feminist and womanist religious perspectives with Jewish and Christian discourses offers more robust critiques of a neoliberal economy Employing womanist and black feminist religious perspectives this book provides six theoretical theologically constructive arguments to challenge the moral fragmentation associated with global markets It strives to envision a pragmatic politics of hope

Littell's Living Age ,1905 Resources, Production and Structural Dynamics Mauro L. Baranzini, Claudia Rotondi, Roberto Scazzieri, 2015-04-30 Economists since the First Industrial Revolution have been interested in the links between economic growth and resources often pointing to resource scarcities as a hindrance to growth Offering a counter perspective this volume highlights the positive role that scarcities can play in inducing technical progress and economic growth It outlines a structural framework for the political economy of scarcity and rents and offers a novel way of organizing the evidence concerning the role of resources in industrial growth This book proposes a major shift in the treatment of scarcity issues by focusing on bottlenecks and opportunities arising within the production system and will appeal to economists and policy makers interested in the role of resources as triggers of structural change
