Performance Subaru Builder's Guide author Jeff Zurschmeide explains in detail the similarities and differences between the Subaru models and describes how to modify each for performance on the street and at the track. He uses over 300 color photos to show you how to modify your Impreza, Legacy, WRX or STI for improved acceleration, handling, braking and style. The book provides detailed chapters explaining how to modify the intake, exhaust, turbocharger and computer systems for more horsepower and torque, plus info on upgrading your drivetrain to handle all that power. If taking corners is your thing, you'll find chapters on the suspension, steering, chassis, brakes and wheels and tires. A special chapter even shows you how to get started in your favorite type of racing, including examples of successful racers and their cars.
