Cnn Death Row Stories:

Convicting the Innocent Stanley Cohen,2016-04-05 A landmark in the fight against the death penalty Extensively researched and brilliantly written The Wrong Men is a gem Martin Garbus criminal defense attorney Every day innocent men across America are thrown into prison betrayed by a faulty justice system and robbed of their lives either by decades long sentences or the death penalty itself Injustice tarnishes our legal process from start to finish From the racial discrimination and violence used by backwards law enforcement officers to a prison culture that breeds inmate conflict there is opportunity for error at every turn Award winning journalist Stanley Cohen chronicles over one hundred of these cases from the 1973 case of the first ever death row exoneree David Keaton to multiple cases as of 2015 that resulted from the corrupt practices of NYPD Detective Louis Scarcella with nearly seventy Brooklyn cases under review for wrongful conviction In the wake of these unjust convictions grassroots organizations families and pro bono lawyers have battled this rampant wrongdoing Cohen reveals how eyewitness error jailhouse snitch testimony racism junk science prosecutorial misconduct and incompetent counsel have populated America s prisons with the innocent Readers embark on journeys with men who were arrested convicted sentenced to life in prison or death dragged through the appeals system and finally set free based on their actual innocence Although these stories end with vindication there are those that have ended with unjustified execution Convicting the Innocent is sure to fuel controversy over a justice system that has delivered the ultimate punishment nearly one thousand times since 1976 though it cannot guarantee accurate convictions

The History of the Death Penalty in Colorado Michael Radelet,2017-01-15 In The History of the Death Penalty in Colorado noted death penalty scholar Michael Radelet chronicles the details of each capital punishment trial and execution that has taken place in Colorado since 1859 The book describes the debates and struggles that Coloradans have had over the use of the death penalty placing the cases of the 103 men whose sentences were carried out and 100 more who were never executed into the context of a gradual worldwide trend away from this form of punishment For more than 150 years Coloradans have been deeply divided about the death penalty with regular questions about whether it should be expanded restricted or eliminated It has twice been abolished but both times state lawmakers reinstated the contentious punitive measure Prison administrators have contributed to this debate with some refusing to participate in executions and some lending their voices to abolition efforts Colorado has also had a rich history of experimenting with execution methods first hanging prisoners in public and then starting in 1890 using the twitch up gallows for four decades In 1933 Colorado began using a gas chamber and eventually moved to lethal injection in the 1990s Based on meticulous archival research in official state archives library records and multimedia sources The History of the Death Penalty in Colorado will inform the conversation on both sides of the issue anywhere the future of the death penalty is under debate

Innocent Victims Scott Whisnant,2017-02-21 The riveting true account of a grisly crime and the unprecedented three murder trials faced by Fort Bragg soldier Tim Hennis On Mother s Day 1985 the bodies of Kathryn

Eastburn and her two young daughters were found in their Fayetteville North Carolina home Katie an air force captain s wife had been raped and stabbed to death Kara and Erin s throats had been slit Their toddler sister Jana was the only survivor of a bloody killing spree that terrified a community still reeling from the conviction six years prior of Dr Jeffrey MacDonald for the savage slayings of his pregnant wife and two daughters The Cumberland County Sheriff s Department soon focused its investigation on US Army soldier Tim Hennis Detectives and local prosecutors built their case on circumstantial evidence and a jury convicted Hennis and sentenced him to death But his defense team refused to give up Piece by piece they discredited the state s case exposing false testimony concealed evidence and prosecutorial misconduct At a second trial Hennis was found not guilty and released from death row But an even more stunning turn of events was yet to come Twenty five years after the murders the North Carolina State Bureau of Investigation tested a crucial piece of DNA evidence from the crime scene The shocking results led to an unprecedented third trial to determine Tim Hennis s guilt or innocence From the initial discovery of the horrifying scene at 367 Summer Hill Road to the controversial change of jurisdiction that allowed Hennis to be prosecuted for an astonishing third time author Scott Whisnant chronicles every development in this intricate disturbing and still evolving case Has the mystery of who killed Katie Kara and Erin Eastburn been solved beyond a reasonable doubt Read *Innocent Victims and decide for yourself* *True Crime Stories of Eastern North Carolina* Cathy Pickens,2020-09-28 Eastern North Carolina is a land of contrasts and its crime stories bear this out A lovelorn war hero or a stalker Conniving wife or consummate homemaker Murder or suicide The answers can be as puzzling as the questions Mystery author Cathy Pickens details an assortment of quirky cases including a duo of poisoning cases more than one hundred years apart a band of folk hero swamp outlaws sex swingers and a couple of mummies Each story has in its way helped define Eastern North Carolina and its history *Demystifying the Big House* Katherine A Foss,2018-07-06 Essays in this volume illustrate how shows such as *Orange Is the New Black* and *Oz* impact the public s perception of crime rates the criminal justice system and imprisonment Contributors look at prison wives on reality television series portrayals of death row breastfeeding while in prison transgender prisoners and black masculinity They also examine the ways in which media messages ignore an individual s struggle against an all too frequently biased system and instead dehumanize the incarcerated as violent and overwhelmingly masculine Together these essays argue media reform is necessary for penal reform proposing that more accurate media representations of prison life could improve public support for programs dealing with poverty abuse and drug addiction factors that increase the likelihood of criminal activity and incarceration Scholars from cultural and critical studies feminist studies queer studies African American studies media studies sociology and psychology offer critical analysis of media depictions of prison bridging the media s portrayals of incarcerated lives with actual experiences and bringing to light forgotten voices in prison narratives *Biblical Interpretation for Laypeople and Other Martyrs* David W. Prison Movies Kevin Kehrwald,2017-02-14 Prison Movies Cinema Behind Bars traces the public fascination with incarceration from the silent era to the present Often considered an offshoot of the gangster film the prison film precedes the gangster film and is in many ways its opposite Rather than focusing on tragic figures heading for a fall the prison film focuses on fallen characters seeking redemption The gangster s perverse pursuit of the American dream is irrelevant to the prisoner for whom that dream has already failed At their core prison films are about self preservation at the hands of oppressive authority Like history itself prison films display long stretches of idleness punctuated by eruptions of violence dangerous moments that signify liberation and the potential for change The enclosed world of the prison is a highly effective microcosm one that forces characters and audiences alike to confront vexing issues of race class gender and sexuality These portrayals of men and women behind bars have thrived because they deal with such fundamental human themes as freedom individuality power justice and mercy Films examined include *The Big House* 1930 *I Want to Live* 1958 *The Defiant Ones* 1958 *Cool Hand Luke* 1967 *Midnight Express* 1978 *Escape from Alcatraz* 1979 *The Shawshank Redemption* 1994 and *Starred Up* 2013

Routledge Handbook on Capital Punishment Robert M. Bohm,Gavin Lee,2017-12-15 Capital punishment is one of the more controversial subjects in the social sciences especially in criminal justice and criminology Over the last decade or so the United States has experienced a significant decline in the number of death sentences and executions Since 2007 eight states have abolished capital punishment bringing the total number of states without the death penalty to 19 plus the District of Columbia and more are likely to follow suit in the near future

Nebraska reinstated its death penalty in 2016 Worldwide 70 percent of countries have abolished capital punishment in law or in practice The current trend suggests the eventual demise of capital punishment in all but a few recalcitrant states and countries Within this context a fresh look at capital punishment in the United States and worldwide is warranted The Routledge Handbook on Capital Punishment comprehensively examines the topic of capital punishment from a wide variety of perspectives A thoughtful introductory chapter from experts Bohm and Lee presents a contextual framework for the subject matter and chapters present state of the art analyses of a range of aspects of capital punishment grouped into five sections 1 Capital Punishment History Opinion and Culture 2 Capital Punishment Rationales and Religious Views 3 Capital Punishment and Constitutional Issues 4 The Death Penalty s Administration and 5 The Death Penalty s Consequences This is a key collection for students taking courses in prisons penology criminal justice criminology and related subjects and is also an essential reference for academics and practitioners working in prison service or in related agencies **Solving Cold**
