Coach Catfish Smith And His Boys

Bud Campbell, Glen Onley

Coach Catfish Smith And His Boys:

Coach "Catfish" Smith and His Boys Glen Onley, 2004 Milburn Catfish Smith rose from the humblest of beginnings in rural East Texas to lead the Carey Cardinals and the Mount Vernon Tigers to numerous football and basketball championships including Texas State Schoolboy titles In doing so he defied the sports gurus of his day many of whom subsequently credited him with three of the greatest coaching feats of his century How did he do it Here for the first time the secret behind this most unusual and colorful man s success is revealed unknown until now even by many of his former players His Boys No slow climb to the top was acceptable for this firebrand coach In his first year he took his Carey Cardinals a school with less than one hundred enrollment and no basketball court to a fourth place finish in the Texas Schoolboy state basketball tournament including a twenty six game winning streak The twenty three year old coach followed that with a 50 2 season and the state championship back when the smallest schools competed against the largest for the coveted title World War II soon interrupted his career as it did that of many of his contemporaries but the experience was to change Catfish deeply and in ways even his closest friends did not understand Called to Mount Vernon Texas in September 1943 to temporarily fill a coaching vacancy Catfish exceeded all expectations Seven years later with two hundred fourteen victories and over twenty titles including district bi district regional and state crowns he was one of the most recognized high school coaches in the state of Texas

When Mexicans Could Play Ball Ignacio M. García, 2014-01-06 In 1939 a team of short scrappy kids from a vocational school established specifically for Mexican Americans became the high school basketball champions of San Antonio Texas Their win and the ensuing riot it caused took place against a backdrop of shifting and conflicted attitudes toward Mexican Americans and American nationalism in the WWII era Only when the Mexicans went from perennial runners up to champs Garc a writes did the emotions boil over The first sports book to look at Mexican American basketball specifically When Mexicans Could Play Ball is also a revealing study of racism and cultural identity formation in Texas Using personal interviews newspaper articles and game statistics to create a compelling narrative as well as drawing on his experience as a sports writer Garc a takes us into the world of San Antonio s Sidney Lanier High School basketball team the Voks which became a two time state championship team under head coach William Carson Nemo Herrera An alumnus of the school himself Garc a investigates the school administrators project to Americanize the students Herrera s skillful coaching and the team s rise to victory despite discrimination and violence from other teams and the world outside of the school Ultimately Garc a argues through their participation and success in basketball at Lanier the Voks players not only learned how to be American but also taught their white counterparts to question long held assumptions about Mexican Americans

Heart of Gold Bud Campbell, Glen Onley, 2005 Dale Rory arrives in Paddock in the heart of West Texas cattle country in pursuit of his dream of coaching basketball and owning a cattle ranch something his recently deceased and highly principled parents had encouraged Believing his faithfulness to their teachings has led to past

accomplishments he is equally convinced that they are his compass to future success. Hired by the school, he buys a four hundred acre spread but aware of his need for help, he seeks out his neighbors Sybil and Marilyn Stone. Sybil, a widowed rancher seasoned by hardship, brusquely doles out advice but Dale quickly recognizes the value of her guidance as well as the beauty of her eighteen year old daughter. When it becomes clear that Dale has jumped in over his financial head, he gets the break of a lifetime. Having bought five lottery tickets on a whim, he wins the jackpot and banks twenty five million. With no more money woes, he considers what he will do with his fortune. Having been taught that "To whom much is given, much is required," he must now decide if all those parental tenets are just words or his guide for life.

BUD CAMPBELL, a Texan and graduate of Mount Vernon High School, was an all state member of their 1948 state championship basketball team and subsequently played for Texas Christian University. After ten years of leading basketball programs at various Texas schools and inspiring youngsters to develop a winning attitude, Bud spent twenty seven years as a school principal, the majority at North Mesquite High in the Dallas area. With humor, wit, and an upbeat personality, Bud has inspired thousands with his motivational speeches at banquets, civic organizations, and staff development programs where he stresses that life's richest blessings are realized through giving freely.

Less We Forget-High School Coaching by Ron Mayberry, 2019-09-23. What difference does it make, the corner stone quote of Hillary Clinton preparing for an election? That same statement can be applied today when coaches want instant gratification, bypassing basic fundamentals of the sport they are coaching. Learning the fundamentals of any sport is a long process and doesn't happen overnight. High school coaches that stay in high school teach basic fundamentals, helping everyone understand that there is no shortcut to success. That's what this book is about. Is there any sports fan who didn't have a high school coach that made a difference in their life? This book covers all sports in the Texas Panhandle Plains region governed by the UIL. There is a section for each sport showing the history of high school state championships between this area and other regions. What makes this book different is the legendary coaches are nominated by their peers and is about high school coaches only.
