Coaching With Spirit:

Coaching with Spirit Teri-E Belf, 2002-07-29 Coaching with Spirit is an uncommon resource that shows you how to enhance your effectiveness by integrating spirituality into your professional interactions with clients. Written for coaches and managers of all types and levels of expertise, this book is not a primer on spirituality but rather it is a guide that suggests practical ways you can get into the zone and welcome Spirit into your coaching business. Author Teri E Belf outlines a plan of action for breathing new life into your coaching style and provides the guide you need to perform the following CPR on your coaching business: Connection, increase connection with yourself, your client, and the whole. Present, be fully available in the present moment. Responsible, able to respond and be accountable for your choices. Coaching with Spirit Belf, 2003-06-01

Case Studies in Spiritual Coaching DeeAnna Merz Nagel, Madison Leigh Akridge, 2023-11-06 The proposed text addresses a major problem in teaching and informing practitioners and trainees about the application of spirituality within the field of coaching. Its purpose is to inform the coaching profession about how spirituality is being utilized by various coaches across the life, wellness, and executive coach domains. The goals are to provide definitions, applications, ethical considerations, and speculation on the future of the profession on a wide range of applications. The content of the book will be a succinct series of case studies while providing cutting edge tools and interventions for the coaching profession. Both editors are certified coaches as well as licensed mental health practitioners in the counseling and social work fields. The goal of this book is to offer guidance for the coach whose client brings direct or indirect spiritual content into the coaching session. Each chapter highlights established coach skills such as active listening, powerful questioning, and goal setting. The text brings together both seasoned spiritual coaches who have influenced this new and growing area, coaching profession, and new spiritual coaches who bring their own diverse knowledge. The contributors describe their work in a diverse array of case studies with their wide range of backgrounds and approaches so that others can learn. Case Studies in Spiritual Coaching can be used as a primary text for courses that teach spiritual or intuitive coaching and/or courses that teach any coaching domain such as life coaching, wellness coaching, or executive coaching. This book may also be used as an adjunct text for courses that include an introduction to spirituality within the coaching profession. *The Pathway to the Soul* Linda Smith, 2010-08-12 The Rev.
