

Making Life Easier and Safer

Staying in touch with your family and friends is convenient and easy when using your microTALK® radios. Some of the many uses you will discover include:

Communicating with others while hiking, biking, and working; keeping track of family and friends at a crowded public event; checking with travel companions in another car; talking with neighbors; arranging meeting spots with others while shopping at the mall.

Talk Buttons

Press and hold to communicate with others. With the microphone about five (5) cm from your mouth, speak in a normal voice.

Release the Talk button when you are finished talking and listen for a response. You cannot receive incoming calls while pressing the Talk button.

NOTE: Both radios must be tuned to the same channel to communicate.
