Donald Thomas

Cochrane Britannias Sea Wolf:

Cochrane Donald Thomas, 1978 Admiral Thomas Cochrane 10th Earl of Dundonald 1775 1860 was a legend in his lifetime This biography makes clear that he achieved enough to fill several lifetimes first as an audacious and brilliant naval tactician in the final years of the struggle against Napoleon but also as a politician reformer inventor and single handed campaigner against corruption in the Admiralty Following the end of the Napoleonic Wars in 1815 Cochrane commenced an extraordinary career as a mercenary admiral He subsequently commanded the navies of Chile and Brazil and launched campaigns against their protagonists Spain and Portugal After finishing his little wars in South America he took command of elements of the Greek navy in their war against the Turks There are darker aspects to Cochrane s story and the account of the Stock Exchange trial clarifies a complex matter thoroughly and clearly The book is well organized written with notable lucidity and provides a most readable account of Cochrane s many activities Cochrane Donald Thomas, 1998-12-01

Cochrane the Dauntless David Cordingly, 2013-08-14 Patrick O Brian C S Forester and Captain Marryat all based their literary heroes on Thomas Cochrane but Cochrane s exploits were far more daring and exciting than those of his fictional counterparts He was a man of action whose bold and impulsive nature meant he was often his own worst enemy Writing with gripping narrative skill and drawing on his own travels and original research Cordingly tells the rip roaring story of a flawed Romantic hero who helped define his age *'Napoleon is Dead'* Richard Dale, 2007-01-15 Early on 21 February 1814 an army officer revealed that the French had been defeated and Napoleon killed When the London Stock Exchange opened at 10 00 am the City was full of rumours of an allied victory This work offers a tale of one of the earliest stock market scams a tale of greed deceit and the public humiliation of Lord Cochrane **Cochrane** David Cordingly, 2010-08-10 In this fascinating account of Thomas Cochrane s extraordinary life David Cordingly Under the Black Flag and The Billy Ruffian unearths startling new details about the real life Master and Commander from his heroic battles against the French navy to his role in the liberation of Chile Peru and Brazil and the stock exchange scandal that forced him out of England and almost ended his naval career Drawing on previously unpublished papers his own travels wide reading and original research Cordingly tells the rip roaring story of the archetypal Romantic hero who conquered the seas and in the process defined his era

Fraudsters and Charlatans Linda Stratmann, 2010-06-01 In 1817 a young woman of exotic appearance was found wandering near Bristol She spoke in a language that no one could understand except seemingly a Portuguese sailor He claimed that she was a Sumatran princess from the island of Javas Princess Caraboo as she was known became a national celebrity and lived in a grand style entertaining many distinguished visitors A few weeks later however she was exposed as Mary Baker the daughter of a cobbler from Devonshire Mary s deception is one of several intriguing stories of nineteenth century fraudsters brought to light in Linda Stratmann s entertaining look at some of history s greatest rogues From bankers who forged share certificates ruining hundreds of small investors to Louis de Rougemont whose tales of high adventure

branded him The Greatest Liar on Earth these riveting tales of true crime expose the seedy side of life in which corruption avarice and scandal hold sway *Pinochet in Piccadilly* Andy Beckett,2024-03-28 In October 1998 the erstwhile Chilean dictator General Augusto Pinochet was arrested in London charged with crimes against humanity by a Spanish magistrate But over the 16 months that Pinochet was detained intriguing questions went unanswered about his close ties with Britain Why was Lady Thatcher so keen to defend the General And why was Tony Blair s usually cautious government prepared to have him arrested As Andy Beckett uncovers the answers reside deep within the long and shadowy history of relations between Britain and Chile An outstanding achievement and mesmerically readable Beckett has surely written one of the best political travelogues of the year Sunday Times I am stirred and astonished at Andy Beckett s brilliance and by the imaginative sympathy with which he rekindles the arguments and emotions of a period he never knew Christopher Hitchens London Review of Books Converting Britannia Gareth Atkins,2019 A compelling study of Anglican Evangelicalism in the Age of Wilberforce revealing its potency as a political machine whose reach extended into every area of the British establishment and its nascent Empire **A, B, Sea** Jack Lagan,2014-05-09 A B Sea is an entertaining comprehensive guide to the language and lore of 21st century seafarers This playful mariner s glossary of nautical terms includes definitions for and cross references to everything from aft to zenith brass monkey to tuna tower This second edition includes many new entries some purely from the swashbuckler vernacular and others for serious sailors Packed with practical advice this is a dictionary with a difference many words are illustrated by passages from classic books of the sea others by the author s experiences aboard an American schooner with a European engine and two boxes of tools Sample entries from this informative and entertaining dictionary include Bermuda Triangle Given a choice between alien creatures and bad weather combined with inept seamanship and navigation you should vote for the latter every time The US Coast Guard certainly does carry away to when any part of the standing rigging or a spar breaks it is said to have carried away What you say is probably unprintable seasickness mal de mer a form of motion sickness usually brought on by a feeling of well being and euphoria Reputedly comes in two stages during the first you fear you might die during the second you fear you might not The most reliable cure Stand under a tree The British Navy in the Mediterranean John D.
