Coffee With The Prophet:

Coffee with the Prophet A. Gabriel Mark, 2008-11-01 If Muhammad were alive today what would he do That's the question that Islamic expert Mark A. Gabriel answers in his novel *Coffee with the Prophet* Through a fascinating fictional story set in the Middle East you will meet Mustafa a young scholar who is a rising star at the most prestigious Muslim university in the world Mustafa leads a double life devout on the outside but dangerously doubting Islam on the inside When Mustafa meets a larger than life character named Sheikh Ahmed at a coffee shop he hopes that this outspoken Bedouin will restore his dying faith Based firmly in Islamic history and culture *Coffee with the Prophet* delivers more fact than fiction while telling a story that is completely original and genuinely touching The surprise ending will make you wonder If I were Mustafa what would I do

Coffee with the Prophet Mark A. Gabriel, 2008 Holy Grounds Tim Schenck, 2019-04-02 If you're religious about your coffee you're in holy company If you like your coffee with a bit of inspiration a hint of humor and a dose of insight you'll enjoy pouring a mug full of java and curling up with *Holy Grounds* Popular author and avid coffee drinker Tim Schenck brews just the right blend of the personal and historical as he explores the sometimes amusing and often profound intersection between faith and coffee From the coffee bean's discovery by ninth century Ethiopian Muslims to being condemned as Satan's drink by medieval Christians to becoming an integral part of Passover in America coffee has fueled prayer and shaped religious culture for generations In *Holy Grounds* Schenck explores the relationship between coffee and religion moving from faith-based legends that have become entwined with the history of coffee to personal narrative He takes readers on a journey through coffee farms in Central America a pilgrimage to Seattle coffeehouses in Rome and a monastic community in Pennsylvania Along the way he examines the power of ritual mocks bad church coffee introduces readers to the patron saint of coffee wonders about ethical considerations for today's faith-based coffee lovers and explores lessons people of faith should learn from coffeehouse culture about building healthy authentic community
