Cogic Deaconess Training Manual

Larry A. Brookins

Cogic Deaconess Training Manual:

Deaconess Training Manual Larry A. Brookins, 2011-09-14 This is a training manual and workbook to be used in preparing women in the church for the work of a Deaconess **Sanctified Imagination** Ivan L. Hartsfield, 2023-07-14 The first of its kind this seminal work charts the unlikely theological quest for Christian holiness by founder Charles Harrison Mason and the Wesleyan Holiness Pentecostal tradition known as the Church of God in Christ COGIC the largest Pentecostal denomination in the United States Through fresh research and critical analysis this book challenges existing assumptions by scholars and reveals how little known black renewal movements informed Mason's theological understanding and that of the movement The rich theological resources of this historically marginalized movement are not primarily accessible in academic journals position papers or theological treatises Instead these resources function as lived religion where the theological presuppositions are embedded in primitive worship ecstatic religious practices and countercultural distinctives By unpacking the lived religion of this self-professed sanctified church this book explores how sanctification and the practice of Christian holiness shaped and empowered the COGIC its people and its practices in creative and profound ways resulting in a radical holiness ethic that emerged from an inexhaustible exilic vitality with personal social and political implications Given the challenge of Christian nationalism today this book provides a framework that informs Christian identity and faithful living for the broader Christian community **The Biblical Deacon and the Deaconess Combined Training Manuals** Bishop Larry A. Brookins, 2020-02-28 This is a combination of my two training manuals The Biblical Deacon and The Deaconess Both are designed to provide training for the church in training men and women for the offices and ministries of Deacon and Deaconess *Deacon Training* Kate Ward-Turner, 2008-05 Indifference toward deacon development places the church in a precarious state By and large congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office When pastor and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in Christ On the other hand trained deacons or those in training discover exciting opportunities with which the office of deacons is filled They come to perceive the office as one of service rather than honor The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor Unquestionable God is looking for a special breed of deacons a New Testament breed who are Spirit-filled and qualified To say that deacons are qualified is to say also that they are trained for the work of deacons **"Servants of Christ"** Robert L. Pettis, 1995 **The Biblical Deacon Training Manual** Larry A. Brookins, 2011 Instructional Manual for the training of individuals for the office of a Deacon **Manual of the Buffalo Deaconess Home and Training School of the Methodist Episcopal Church, for Genesee Conference** Buffalo Deaconess Home of the Methodist Episcopal Church, John Heyl Vincent, Methodist Episcopal Church. Genesee Conference. Buffalo District, 1890 *Agape Family Fellowship International Deacon/Deaconess Training Manual* James Bamwesa, James V. Potter, Ph.D., PH D James V Potter,

REV,2014-05-26 This manual is one of the series of ministry manuals of Agape Family Fellowship International an imperative volume in the library of every AFFI pastor evangelist teacher and student **A Process for Formulating an Elder and Deacon Training Manual for the Wheaton Evangelical Free Church, Wheaton, Illinois** R.
