Product Description:

Students will use these as a center activity. Students will determine the meaning of each idiom or adage for each card and record their answers on Answer Sheet provided. Also, you may decide to play the game SCOOT. During this activity, students will stand up and move to where different cards are located. Timer will be used by teacher where students will "SCOOT" to the next card when the timer goes off. I suggest that teachers insert in card stock and have these laminated.
