The following is the order in which I typically implement these lessons:

1. Holocaust Day 1 PPT – I usually play Sounds of Silence by Simon & Garfunkel while this PPT is running. I usually begin this PPT and the music as soon as students begin to enter the room. There will be a bit of confusion at first, so I play it 2-3 times and use non-verbal cues if necessary to get students to be seated and quiet.
2. K&W columns of the KWL. The students can use information from the PPT for the K column if they knew nothing about the Holocaust before entering the room.
3. Introduction PPT and student notes
4. Escape from Solibor film and questions. I explain to the students that I begin the unit with this film so that they have an understanding of how horrible the things we're about to talk about were and that it gives me something to which I can refer while teaching. I also let them know that there are parts of the film that are difficult to watch, but it's important for us to learn about this part of history so that we might recognize the signs in the future.
