the cities and their ranks included nuns and secular women Work was regularly collaborative and the craft was learned through an apprenticeship system Alexander carefully analyzes surviving manuscripts and medieval treatises in order to explain the complex and time consuming technical processes of illumination its materials methods tools choice of illustration and execution From rare surviving contracts he deduces the preoccupation of patrons with materials and schedules Illustrating his discussion with examples chosen from religious and secular manuscripts made all over Europe Alexander recreates the astonishing variety and creativity of medieval illumination His book will be a standard reference for years to come **Cedar Rapids Municipal Airport ALP ,1974 The Conversion of Herman the Jew** Jean-Claude

Schmitt,2013-04-22 Sometime toward the middle of the twelfth century it is supposed an otherwise obscure figure born a Jew in Cologne and later ordained as a priest in Cappenberg in Westphalia wrote a Latin account of his conversion to Christianity Known as the Opusculum this book purportedly by Herman the former Jew may well be the first autobiography to be written in the West after the Confessions of Saint Augustine It may also be something else entirely In The Conversion of Herman the Jew the eminent French historian Jean Claude Schmitt examines this singular text and the ways in which it has divided its readers Where some have seen it as an authentic conversion narrative others have asked whether it is not a complete fabrication forged by Christian clerics For Schmitt the question is poorly posed The work is at once true and fictional and the search for its lone author whether converted Jew or not fruitless Herman may well have existed and contributed to the writing of his life but the Opusculum is a collective work perhaps framed to meet a specific institutional agenda With agility and erudition Schmitt examines the text to explore its meaning within the society and culture of its period and its participation in both a Christian and Jewish imaginary What can it tell us about autobiography and subjectivity about the function of dreams and the legitimacy of religious images about individual and collective conversion and about names and identities In The Conversion of Herman the Jew Schmitt masterfully seizes upon the debates surrounding the Opusculum the text of which is newly translated for this volume to ponder more fundamentally the ways in which historians think and write
