The Jarring Road to Democratic Inclusion Aviad Rubin, Yusuf Sarfati, 2016-08-30 This edited volume brings together chapters that offer theoretically pertinent comparisons between various dimensions of Israeli and Turkish politics Each chapter covers a different aspect of state society interactions in both countries from a comparative perspective including the public role of religion political culture women rights movements religious education religious movements marriage regulation labor market inclusion and ethnic minorities Israel and Turkey share significant similarities such as state formation under nationalist ideologies familiarity with democratic governance since the 1940s strong affiliation with the West recent resurgence of religious parties ongoing conflict with ethno national minority groups that challenge the dominant national project contemporary popular protests against the incumbent regime and recent serious erosion of democratic rights At the same time they differ on major variables such as size majority religion geopolitical location level of economic development policy towards ethnic minorities and institutional arrangements to managing the state religion relations The presence of these differences in face of common backgrounds facilitates analytically grounded comparisons in a host of dimensions Therefore employing a case oriented comparative method this book provides historically interpretative and causally analytic accounts on the politics of both societies The contributions reveal the dynamic and complex rather than one dimensional and linear nature of political processes in both settings This empirically rich and theoretically sophisticated volume should contribute to a better understanding of these two important states and no less important stimulate new directions for comparative research especially on Middle East regimes social movements and democratization

The Art of State Persuasion Assistant Professor of Political Science Frances Yaping Wang, Frances

Yaping Wang,2024 In a seminar held in 2011 attended by the heads of the Chinese Communist Party's propaganda departments across various government levels Liu Yunshan a senior Chinese propaganda official underlined the necessity to strengthen mainstream public opinion and reach ideological consensus During the Sino Philippines arbitration case in 2016 People's Daily featured an article proclaiming the state's attitude and the public's stand are in unison providing the public opinion basis and conditions for China to deal with the dispute Remarks like these which highlight the significance of establishing a consensus between the public and the state and the aspiration for unity in their actions inspired the misalignment theory of this book

Wonder City Lynn Ellsworth,2025-05-06 Reimagining our cities for a sustainable and human centric future In her groundbreaking book Wonder City Lynn Ellsworth delves deep into the heart of modern urban life casting a critical eye on the transformative changes sweeping through cities like New York This compelling journey into the world of urban development goes beyond the usual narrative serving as a passionate call to action that encourages readers to actively participate in shaping the future of their cities Ellsworth expertly navigates through complex themes such as affordable housing urban planning historic preservation and architecture With a focus on major cities undergoing significant transformations Wonder City offers an insightful examination of the challenges and opportunities that define contemporary urban life At the core of this engaging narrative is a striking critique of the real estate industry's influence over urban landscapes Ellsworth reveals how historic and culturally rich urban settings are increasingly being overshadowed by the rise of impersonal glass towers a trend she argues is driven by the industry's grip on politicians and technocrats This analysis is both eye opening and unsettling shedding light on the forces reshaping our urban environments Wonder City is more than a critique however Ellsworth provides a pragmatic blueprint for revitalizing urban spaces She champions the need for affordable housing sustainable urban planning and architecture that respects and enhances the human experience Her arguments challenge the prevailing economic theories behind housing supply and question the architectural ideologies that often justify the demolition of historic urban assets This book is an essential read for urban planners policymakers and anyone interested in the future of urban living Ellsworth's clear accessible insights into complex issues make Wonder City a vital contribution to the discourse on urban development appealing to a broad audience that cares about the dynamics and future of city life

LGBTQ Catholic Ministry Jason Steidl,2022-12-14 Argues that LGBTQ Catholics and their allies have been struggling for recognition and pastoral care in the U S Catholic Church since the 1940s using a variety of strategies to integrate their faith and sexuality and navigate the institutional church

Bureaucratizing Islam Ann Marie Wainscott,2017-09-14 How have states in the Middle East and North Africa responded to the War on Terror While much scholarship has focused on terrorism in the region there is need for critical studies of Middle Eastern states counter terrorism policies This book addresses that need by investigating Morocco's unique approach to counter terrorism the bureaucratization of religion Morocco's strategy is unique in the degree to which it relies on reforms that seek to make the

country's religious institutions into tools for rewarding loyalty and discouraging dissent from religious elites. Through these measures they have limited opposition through an enduring form of institutional control accommodating some of the country's most virulent critics. This book will be of great use to researchers and scholars of Middle Eastern politics and it will also appeal to those policymakers interested in security studies and counter terrorism policies. *The Roman Catholic Bishops of Lancaster* Paul Severn, 2023-09-15

In a series of biographical portraits Paul Severn tells the story of the seven diocesan and one auxiliary bishop in the Roman Catholic diocese of Lancaster. **Neglected Perspectives on Science and Religion**

Wayne Viney, William Douglas Woody, 2017-04-07 *Neglected Perspectives on Science and Religion* explores historical and contemporary relations between science and religion providing new perspectives on familiar topics such as evolution and the Galileo affair. The book also explores common differences in science and religion with respect to their various treatments of doubt, curiosity and the methods by which truth claims are assessed. The book includes discussions of religious and scientific treatments of the origins of males and females, evolving views of sex and gender and contemporary tensions about topics such as same sex marriage. Viney and Woody also include a chapter exploring the effects of social science research on religious topics such as prayer, prejudice and violence. The rise of social sciences such as psychology, sociology and anthropology has resulted in discoveries that contribute to new ways of thinking about the relations of science and religion. This book is ideal for graduate and upper level undergraduate students as well as anyone interested in science and religion.
