political ideas to some persons after WW2 However it is certainly not the basis of the movie shot during the 50s in which Romy Schneider played the character of a fictitious young Empress Elisabeth Readers will discover a woman totally different from what History or movies tell about her a woman ahead of her time a sensitive and generous person who was always paying attention to the well being of others a person who spent her life fleeing her distress by traveling and practicing intense physical activities a woman who hurt no one and yet was murdered
