Celebration And Renewal Rites Of Passage In Judaism:

Celebration and Renewal Rela M. Geffen,1993 Explains such life cycle events as birth marriage midlife sickness religious conversion and mourning as viewed experienced and treated from a Jewish perspective *Celebration & Renewal* Rela Mintz Geffen,1993 *Rites of Passage* Leonard Jay Greenspoon,2010 Proceedings of the Twenty First Annual Symposium of the Klutznick Chair in Jewish Civilization Harris Center for Judaic Studies October 26 27 2008 P i **The Jewish Life Cycle** Ivan G. Marcus,2012-03-01 In this original and sweeping review of Jewish culture and history Ivan Marcus examines how and why various rites and customs celebrating stages in the life cycle have evolved through the ages and persisted to this day For each phase of life from childhood and adolescence to adulthood and the advanced years the book traces the origin and development of specific rites associated with the events of birth circumcision and schooling bar and bat mitzvah and confirmation engagement betrothal and marriage and aging dying and remembering Customs in Jewish tradition such as the presence of godparents at a circumcision the use of a four poled canopy at a wedding and the placing of small stones on tombstones are discussed In each chapter detailed descriptions walk the reader through such ceremonies as early modern and contemporary circumcision weddings and funerals In a comparative framework Marcus illustrates how Jewish culture has negotiated with the majority cultures of the ancient Near East Greco Roman antiquity medieval European Christianity and Mediterranean Islam as well as with modern secular and religious movements and social trends to renew itself through ritual innovation In his extensive research on the Jewish life cycle Marcus draws from documents on various customs and ritual practices offering reassessments of original sources and scholarly literature Marcus s survey is the first comprehensive study of the rites of the Jewish life cycle since Hayyim Schauss s *The Lifetime of the Jew* was published in 1950 written for Jewish readers Marcus s book addresses a broader audience and is designed to appeal to scholars and interested readers **The Jewish Family and Jewish Continuity** Steven Bayme,Gladys Rosen,1994 The Jewish family in America is by and large a reflection of the general American family With the rise of divorce and the increasing preference for alternative life styles the traditional Jewish family like its American counterpart is under increasing challenge When the effects of intermarriage and a lower than average birth rate are added in the continuity of the Jewish family and Jewish life is under even greater threat The essays in this volume by distinguished scholars and social policy theorists assess the situation and prescribe policy measures to minimize the adverse affects of these trends when necessary or possible Among the questions addressed are adoption divorce abortion feminism and pornography It is the hope of the editors and contributors alike that their work will not only aid in preserving the American Jewish family but will have wider resonance as well Teaching Jewish Life Cycle Barbara Binder Kadden,Bruce Kadden,1997 Background information on every stage of life covers every Jewish life cycle event from birth to death insights from Jewish tradition hundreds of creative activities for all ages Death and Bereavement around the World John D. Morgan,Pittu Laungani,2021-03-24 The make up of the

contemporary nation state is increasingly multiethnic and statistics show that in many cases no one group is numerically the largest Interethnic relations are given global visibility by the media while much that happens among different groups depends on context Editors John D Morgan King s College London and Pittu Laungani South Bank and Manchester Universities England have gathered leading international authorities to produce *Death and Bereavement Around the World* the first of a five volume presentation and analysis of the ways different peoples experience dying and grief Effective bereavement care requires a knowledge of an individual s physical social educational and spiritual existence since the expressions of grief and the needs that emerge vary widely from one to another and are subject to past experiences cultural expectations personal beliefs and relationships An individual s identity comes from a sense of personal uniqueness solidarity with group ideals continuity with the past present and future and from the culture by which an individual is raised or adopted This first volume discusses the major religious traditions of the world and how they help followers deal with the fundamentals of life

Rituals of Childhood Ivan G. Marcus, 2015-05-01 In medieval times when a Jewish boy of five began religious schooling he was carried from home to a teacher and placed on the teacher s lap He was then asked to recite the Hebrew alphabet and lick honey from the slate on which it was written to eat magically inscribed cooked peeled eggs and cakes to recite an incantation against a demon of forgetfulness and then to go down to the riverbank with the teacher where he was told that his future study of the Torah like the rushing river would never end This book Ivan Marcus s erudite and novel interpretation of this rite of passage presents a new anthropological historical approach to Jewish culture and acculturation in medieval Christian Europe Marcus traces ancient Jewish and Greco Roman elements in the rite and then analyzes it from different perspectives making use of narrative legal poetic ethnographic and pictorial sources as well as firsthand accounts He then describes contemporary medieval Christian images and initiation rites including the eucharist and the Madonna and child as contexts within which to understand the ceremony He is the first to investigate how medieval Jews were aware of drew upon and polemically transformed Christian religious symbols into Jewish counterimages in order to affirm the truth of Judaism and to make sense of living as Jews in an intensely Christian culture

Women, Birth, and Death in Jewish Law and Practice Rochelle L. Millen, 2004 A sensitive exploration of the development of pivotal life cycle rituals as they touch Jewish women s lives

World Religions in Practice Paul Gwynne, 2017-05-30 A new and expanded edition of a highly successful textbook on world religions with a comparative approach which explores how six major religions are lived and expressed through their customs rituals and everyday practices A new edition of this major textbook exploring the world s great religions through their customs rituals and everyday practices by focusing on the lived experience This comparative study is enriched and broadened with the inclusion of a sixth religion Daoism Takes a thematic comparative and practical approach each chapter explores a series of key themes including birth death ethics and worship across all six religions at each time Broadens students understanding by offering an impartial discussion of the similarities and differences between each religion
