THE CELESTINE PROPHECY

by James Redfield

Narrated by Tom Stechschulte

Hidden deep in the rainforests of Peru is an ancient manuscript that reveals the future of the human race. Within the pages of this mysterious document are nine key insights that all human beings must grasp before they can enter a new age of spiritual enlightenment. To find the manuscript—and its secrets—you will join one man on a quest that leads to the heights of the Andes Mountains, to magnificent ruins in old-growth forests, and to a startling discovery.

An astonishing novel that has become one of the most triumphant best-sellers of the decade, *The Celestine Prophecy* contains extraordinary revelations and predictions for the future that will crystallize your perception of the world around you. It is at once a gripping tale of adventure and a spiritual guidebook that will give you chills—and hope—as you perceive its predictions unfolding around you in personal relationships and international affairs. A book that has touched the lives of thousands, it has the power to help you focus on tomorrow with renewed energy and optimism.

"... the most celebrated ... attempt to fuse all religions into one beautiful, all-embracing vision." —*The National Review*
