For Sale: 2002 Camaro B4C Hardtop Sportsman
This car is a very rare 2002 Camaro hardtop B4C hard top. This car is a retired state trooper vehicle that was not in service that long. The B4C was a Chevrolet Production code for the Police package which added numerous performance and handling features as well as better braking with slotted disc rotors and other upgrades. The production numbers of these B4C cars was limited for the 2002 model year, making it one of the rarest options as well and this car is also the rare and highly sought after hard top, in fact an extra-potent ex-police car that was made to be quick enough to catch just about any speeder on the road in its day. The interior continues the car's stealthy image, and the first impression here is more like a loaded coupe. You have high-back bucket seats finished in a comfy cloth, and yours even power adjusts to the ideal position. There are desirable features like power windows, power locks, dual airbags, cruise control, electric rear defogger, the factory AM/FM stereo, cup holder center console, and ice cold-blowing air conditioning.
The mileage on the car is 119xxx miles. This car has the original untouched LS -1 engine and also has the original 4L60E Automatic Transmission which was just gone through and freshened up 1,000 miles ago by a professional shop. The car retains its original factory rear end. The car has like new Firestone Firehawk Indianapolis 500 tires. This B4C Camaro has been professionally tuned at Tunes by Shane which is Shane Hines, who tunes most of the "Street Outlaw" cars. Shane is amazing at tuning several cars and all his customers have lots of success at the track to prove it. After the tune the car went to the race track and ran a 12.52 at around 110 MPH. The car also won a small Street Stock category race at Gateway Raceway last year. \$6000 paint job and much more.
